No. 2404.—With reference to Notifications Nos. 1518, 1592 and 2101, published in the *Gazette* on the 8th May, 16th May and 30th June, 1916, respectively, the following Proclamation of His Britannic Majesty is published for general information:

BY THE KING.

A PROCLAMATION RELATING TO THE IMPORTATION OF CERTAIN ARTICLES INTO THE UNITED KINGDOM.

GEORGE, R. I.

WHEREAS by section forty-three of the Customs Consolidation Act, 1876, it is provided that the importation of arms, ammunition, gunpowder, or any other goods may be prohibited by Proclamation:

AND WHEREAS by various Proclamations entitled Prohibition of Import Proclamations the importation of certain goods has been prohibited accordingly:

AND WHEREAS it is expedient that the importation into the United Kingdom of certain other goods should be prohibited, and the existing prohibition imposed on the importation of certain goods removed:

NOW, THEREFORE, We, by and with the advice of Our Privy Council, in pursuance of the said Act and of all other powers enabling Us in that behalf, do hereby proclaim, direct and ordain as follows:

(1) AS from and after the Eighth day of June, 1916, subject as hereinafter provided, the importation into the United Kingdom of the following goods is hereby prohibited—viz.:

- Aluminium, manufactures of.
- Baths of metal.
- Beer.
- Carpet sweepers.
- Cash registers.
- Hops.
- Lawn mowers.
- Leather, manufactures of, other than belting, boots and shoes, and gloves.
- Matches.
- Sewing machines.
- Stoves and ranges.
- Toilet articles containing glycerine.
- Wringers and mangles.

Provided always, and it is hereby declared, that this prohibition shall not apply to any such goods which are imported under licence given by or on behalf of the Board of Trade, and subject to the provisions and conditions of such licence.

(2) AS from and after the date hereof the prohibition imposed by the Prohibition of Import (No. 5) Proclamation, 1916, on the importation of the following goods shall be removed and the said Proclamation amended accordingly—viz.:

- Starch, dextrine, farina and potato flour.

This Proclamation may be cited as the Prohibition of Import (No. 6) Proclamation, 1916.

Given at Our Court at *Buckingham Palace*, this First day of June, in the year of Our Lord One thousand nine hundred and sixteen, and in the Seventh year of Our Reign.

GOD SAVE THE KING!

No. 2405.—RESTRICTIONS ON LEAVING AND ENTERING EGYPT.—With reference to Notification No. 1951, published in the *Gazette Extraordinary* of the 14th June, 1916, the following notice, issued to the Press in the United Kingdom, is published for general information :

The regulations now in force governing departure from and entry of persons into Egypt are as follows :

For permission to leave Egypt either with or without intention of returning there, all applications should be made to permit offices established in Cairo City, Alexandria, and Port Said, Police Departments respectively, according to the district in which an applicant is resident. This application should be made at least fourteen days previous to the proposed date of embarkation.

For permission to enter Egypt application should be made as follows :

(a) If the applicant is resident in the United Kingdom, application should be made to the Military Permit Office, 19, Bedford Square, London. At the same time application should be made to the Passport Office, Downing Street, London, for the necessary passport, which will only be issued by the Passport Office, when a certificate from the Military Permit Office is produced to the effect that permission to land has been obtained. From all other parts of the British Dominions applications should be made to nearest Passport Office.

(b) If the applicant is outside the British Dominions, application should be made to the British Consulate nearest to the place at which the applicant is residing at the time of application.

In all cases these applications must be made so that that can be forwarded by the above-mentioned authorities in time to reach Egypt at least fourteen days previous to the date on which the applicant proposes to sail, although in all urgent cases applications may be made by telegraph through the same channel at the applicant's expense.

As will be seen from the above the principle to be followed is one of greater stringency. At the same time it has been decided to relax these measures to a certain extent in regard to *bonâ fide* residents in Egypt of British or Allied Nationality, wishing either to return to Egypt (if at present in another country) or to leave Egypt with the object of returning. Permission to such persons to return to Egypt or to leave Egypt, and return at a future date, cannot of course be regarded as an absolute undertaking on the part of the Egyptian authorities to permit them to return if in the meantime the situation should have changed, owing to circumstances at that time unforeseen ; and, although it is hoped that there may be no occasion to cancel permission once granted, intending applicants should take particular note of the condition stated above.

Such persons may, therefore, take it that permission given to leave Egypt carries with it (as far as Egyptian authorities are concerned) permission to return provided that (1) no unforeseen event should have occurred to alter circumstances in Egypt, and (2) during their stay in England or elsewhere they have not given the authorities in the country in which they have been staying ground for uneasiness or suspicion. In order to satisfy this latter condition they will have to go through the formality of applying as stated above.

No. 2406.—CUSTOMS DUTIES ENACTMENT.—Prices of articles in respect of which export duty is leviable on an *ad valorem* basis. Commencing from the 1st August, 1916, until further notice, duty will be assessed in the States of Perak, Selangor, Negri Sembilan and Pahang in accordance with this list :
