Minutes of an ordinary meeting held at the Sanitary Board Offices, Kuala Lumpur, on Wednesday, the 19th July, 1916, at 9.30 a.m.

PRESENT: Mr. C. F. J. Green (*Chairman*), the Health Officer (Dr. A. R. Wellington), the Protector of Chinese (Mr. L. H. Clayton), the Collector of Land Revenue (Mr. A. W. Just), the Superintendent of Revenue Surveys (Mr. H. R. Shaw), the Executive Engineer, Town (Mr. J. F. Ward), the Assistant Government Architect (Mr. L. Kesteven), Mr. H. N. ABSENT: The Chief Police Officer (Major A. McD. Graham), Mr. E. Macfadyen, Mr. A. K. E. Hampshire, and Mr. K. T. Parimanam Pillay.

1. Minutes of the previous meeting, having been circulated among the members, were taken as read, and were confirmed.

2. Railway Watchmen's Quarters: The Board had no objection to the erection of quarters for Railway watchmen on the site, off Venning Road, shown on plan submitted by the Engineer for Ways and Works.

3. Unhealthy Areas and Buildings: A copy of the Straits Municipal Ordinance, dealing with the reconstruction of unhealthy areas and buildings, was laid on the table, together with a copy of the "Housing of the Working Classes Act, 1890," in force in England. The Board agreed that the matter should stand over, pending consultation of Singapore Municipal President by the Chairman. With regard to Ampang Street, where an outbreak of plague occurred recently, Mr. H. N. Ferrers said he considered definite steps should be taken without further delay to improve this area, and he thought that, if a new street could be constructed in a suitable locality and a number of shop-houses erected immediately, they could be made available for those now carrying on business in Ampang Street. He was of opinion that, if all the tenants could be moved together, trade connection would not suffer and the owners would experience difficulty in finding fresh lessees, and so would be more amenable. At the request of the Board, Mr. Ferrers undertook to make enquiries as to the feasibility of the scheme.

4. Open Areas: The Board agreed not to insist on the enlargement of the open area of No. 13, Sultan Street, so long as the house is used for Club purposes only.

5. Back Lane: Under the provision of Sanitary Board by-law 36 (iv), the Board, with the concurrence of the Health Officer, approved of a lane, 14' wide, being provided at the back of five houses to be erected on lots 21-26, section 8, Ampang Street, on condition that the owner arranges for a sub-division of the land in accordance with the altered frontages.

6. Hindu Burial Ground: The proposed rules for the Hindu burial ground at Pudu were approved.

7. Filling of Valley, Birch Road: In reply to a letter regarding a proposal to fill up the valley at Birch Road with spoil from lot 32, section 56, Kuala Lumpur, and for the acquisition, for building purposes, of the land, when reclaimed, it was decided to inform applicant that the Board was in favour of the valley being filled, but required further information as to the details of the scheme. It was decided to send a similar reply to another applicant who proposed to fill with spoil from land on the other side of Birch Road.

8. Open Areas: A letter from Mr. C. Wagner, on behalf of Yong Ni Chai, appealing against a notice to enlarge the open areas of houses Nos. 184 and 186, Pudu, was laid on the table. The Board decided to continue its policy of insisting on a quarter open area.

9. Renewal of Mining Lease: The Board had no objection to the renewal of mining lease No. 2,510 for a period of five years, provided provision is made for mining operations to cease in the event of tailings entering Sungei Besi town.

10. Pipe Making: The Board was not in favour of the continuation of pipe making on lot 11, section 47, Pahang road, and declined to issue a licence under by-law 202.

11. Formal Matters: The following formal matters were laid on the table and formally approved:

- (a) Applications for water supply as per register;
- (b) Assessment of new buildings as per register;
- (c) Plans as per register;
- (d) Public Works Department progress report for June, 1916;
- (e) List of notices and applications for prosecution;
- (f) Return of water consumption, 16th to 30th June, 1916—the daily average consumption was 2,201,533 gallons.

12.
