Monthly bulletin for Centre of Advanced Manufacturing and Material Processing

Issue 27 - April 2016

## JOY RUN: LARIAN SPEKTRA UM 2016

24th of April 2016 - Tunku Bahiyah College, University of Malaya together with KrispyKreme Doughnut, Cosmopoint College and Tixtax had organised a joy run opened for all Malaysians. The run was held at the Stadium Arena Pusat Sukan, University of Malaya, Kuala Lumpur starting at 8 AM with the participants over hundreds of people. **AMMP Centre** researchers, Dr Mohd Sayuti, his students and Zectron staff were among the participants at the event. One of the objectives of the event is to encourage a healthy living among Malaysian people.

## RESEARCH TALK BY PROF TADASHI ARIGA

On the 27th of April 2016, **AMMP Centre** has organised a research talk title "Importance of Joining and Welding for High Technology Products". The research talk was presented by Prof Tadashi Ariga from Tokai University of Japan. Prof Ariga was on his visit to Faculty of Engineering as visiting professor starting from 23rd of April 2016 until 9th of May 2016. The talk event was held at the CAD/CAM Seminar Room, Faculty of Engineering and attended by almost 20 students of Faculty of Engineering and last for about 2 hours.

## AMMP STAFF BIRTHDAY CELEBRATION

HAPPY BIRTHDAY

22 April 2016 - AMMP Centre celebrated board member and staff that was born in the month of January to April. Dr Sayuti, Dr. Azizi and Mr. Amir were the celebrated person. It was an appreciation for their effort and intensity in making AMMP Centre one of the best research centre in University of Malaya

# U-START IGNITE

## UMCIC collaborated with National University of Singapore(NUS)

On the 19th of April 2016, UM Centre of Innovation and Commercialization (UMCIC) collaborated with National University of Singapore (NUS) has organised U-Start Ignite Event at University of Malaya. The event was held at IPPP and Kompleks Perdana Siswa building and there were several talks and mini exhibition arranged.

The morning session started with networking talk which involved collaboration discussion between UM and NUS. Representatives from UM and NUS who participated in the morning talk were also asked to introduce their background, which company they are from, and their skills. Representative from Bursa Malaysia was also invited to the event for one slot of speech. His talk was about the Malaysia's current economy situation.

The afternoon slots which was held at Kompleks Perdana Siswa building, was continued with talk title 'U-start Ignite'. Participants who joined were undergraduates and postgraduates students of UM. Some academic staff of UM and NUS were also there to support the activity. Besides, there were also booth opened by participant that wanted to promote their products and company.

**Zecttron Sdn Bhd** was one of the participants that took part in the mini exhibition and they took the chance to promote their services and products to all the visitors.

## ARRIVAL OF PROF TADASHI ARIGA AT AMMP CENTRE

23 April 2016 - We would like to welcome Visiting Professor Tadashi Ariga from Tokai University, Japan to **AMMP Centre**.

Prof Tadashi Ariga will be here until 9 May 2016 for a few slots of research discussion with PhD students at the Faculty of Engineering. He is also here to discuss potential collaboration with other local universities and industries in Malaysia.

Scheduled to give a talk titled 'Importance of Joining & Welding Processes for High Technology Products' to Faculty of Engineering students, Prof Ariga will also pay a visit to Universiti Malaysia Pahang for research collaboration.

### UPCOMING EVENTS

Prof Dr. Mohd Hamdi and Assoc. Prof Aly Daa Sarhan projects were chosen to take part in ITEX 2016. Goodluck to both of them.

The AMMP Centre was established in 2002 with the aim of strengthening research activities in advanced manufacturing and material processes. The AMMP Bulletin is produced periodically. It is distributed among lecturers, students and staff of University Malaya. By following our monthly bulletin, you will be kept up to date with the latest AMMP Centre news and activities. For research enquiries, contact us at 03-79675242 or email us at [ammp@um.edu.my](mailto:ammp@um.edu.my) Level 8, Engineering Tower, Faculty of Engineering, University of Malaya, 50603 Kuala Lumpur
