

Monthly CAM Meeting

Centre of Advanced Materials (CAM) held a meeting on the 24th of August 2016. The Centre will participate in the 3rd Malaysian Oil & Gas Services Exhibition & Conference (MOGSEC 2016) on the 28 - 30th September 2016. The participation may help in promoting our R&D capabilities and potentials for product/process development in areas that can serve the Oil and Gas (O&G) sector. Besides, it is also a medium to showcase expertise of researchers relevant to the conference. Centre members are welcome to submit their information that is related to the conference. We have announced the official phone number for CAM : (603) 7967 7022 ext 2169. Dr. Henk welcomed two new members in CAM: Dr. Suriani Ibrahim and Dr. Shahira Liza. Centre meetings will be held monthly to increase the Centre's performance and record all the members' activities.

Celebration of Raya 2016

After the meeting, small gathering for Raya celebration was held among the committee members. The delicious cake and pie were prepared by Dr Henk's wife.

Upcoming Events

We are pleased to invite you to our upcoming events:

- NEW2016 (11 – 12th October 2016)
