

CAM Lunch & Farewell Party

5 July 2017

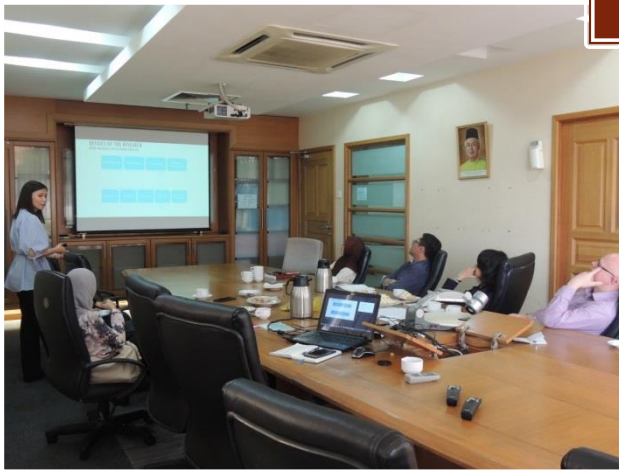

Centre of Advanced Materials had a lunch buffet at Pullman Hotel, Bangsar. Our delicious lunch buffet was sponsored by Assoc. Prof. Ir. Dr. Ang Bee Chin and Assoc. Prof. Dr. Roslina Ahmad. We would like to congratulate both of them for their promotion. This lunch session was also a farewell party for Ms. Emma, CAM Research Assistant. Good luck on her future endeavour.

Teh Tarik Session

16 July 2017

The second edition of *Teh Tarik* Session was chaired by Assoc. Prof. Ir. Dr. Ang Bee Chin. We really enjoyed the *teh tarik* while listening to her talk. Hope to hear talks from other members soon.

CAM Trips to UniMAP, USM, INFORMM and AMREC

23 – 26 July 2017

CAM members had organized a research trip to the Northern side of the country. Some places we managed to visit were UniMAP, USM, INFORMM and AMREC. This visit was aimed to explore potential collaborations with other local universities and research centres. The visit also facilities and equipment of laboratory / research centre and to build research collaboration in materials & mechanical engineering field.

School of Materials Engineering, UniMAP

CAM Trips to UniMAP, USM, INFORMM and AMREC

School of Manufacturing Engineering, UniMAP

Advanced Materials Research Centre (AMREC)

School of Materials & Mineral Resources Engineering (USM)

Institute for Research in Molecular Medicine (INFORMM)

Visit to Sunway University

8 August 2017

Assoc. Prof. Dr. Amalina Afifi, Assoc. Prof. Dr. Roslina Ahmad and Dr. Nor Ishida Zainal Abidin were invited by Prof. Saidur Rahman, Head, Centre for Nanomaterials and Energy Technology to visit Sunway University. The visit discussed their research project collaboration.

Teh Tarik Session

23 August 2017

The third edition of *Teh Tarik* Session was chaired by Assoc. Prof. Dr. Henk Metselaar. We really enjoyed the *teh tarik* while listening to the talk. Hope to hear talks from other members soon.

Visit to MIR Valve Sdn. Bhd.

18 September 2017

Assoc. Prof. Dr. Roslina Ahmad and Ir. Dr. Wong Yew Hoong were invited by Mr. Zulkefle Said – a Senior Supply Chain Engineer to visit MIR Valve Sdn Bhd. MIR Valve is a manufacturer of ball and gate valves, standard and engineered products for the oil and gas, refining, and petrochemical industry. During the visit, some in-house technical challenges were presented and discussed for potential collaboration between CAM and MIR Valve.

CAM Open Day 2017

20 September 2017

CAM had organized an Open Day for the very first time inviting all members, Faculty's top management, CAM postgraduates and Materials Engineering final year students. This social event was aimed to strengthen the relationship between the academics and CAM students.

Grant Update

Grant Name	Successful Applicant
Frontier Research Grant (FRG), University of Malaya	Assoc. Prof. Dr. Andri Andriyana Ir. Dr. Wong Yew Hoong
