UNIVERSITI MALAYA LEARNING IMPROVEMENT AND TEACHING ENHANCEMENT RESEARCH (UM-LiTeR)

The **UM Learning Improvement and Teaching Enhancement Research (UM-LiTeR)** (UM-LiTeR) aims to provide UM lecturers with funding to conduct research on improving and enhancing learning and teaching practices in their own classrooms, courses, and/or programs.

If you wish to improve your students' learning capacity and/or your teaching effectiveness, or if you simply wish for some mentorship and guidance in managing a Teaching and Learning (T&L) research project, UM-LiTeR might be able to help.

For those of you opting for the Teaching Track in UM's newly launched Standard Academic Performance Target (SAPT), T&L research will be vital for future promotions in the Teaching Track. Nevertheless, this grant is not limited to those interested in Teaching Track only, as good Teaching & Learning practice is crucial for all academic staffs, for the benefit of our students.

UM-LiTeR aims not only to provide research funding and mentorship, but also to facilitate connections amongst UM lecturers who are passionate about T&L and to invite you to be part of a community of practice in which members support one another in their shared quest to offer effective and meaningful T&L experiences to our students.
