

Academic Enhancement & Leadership Development Centre (ADeC)

Greetings to all! After we slow down our activities in June for Ramadhan, July has definitely gets us back on track with packed schedule.

Check out what ADeC has been up to last month.

Workshop - MOOC Development Basic

The first installment of MOOC Development workshop series run by ADeC to help UM academicians develop their own MOOC. Led by Dr. Zahiruddin and Dr. Lee Yew Kong, participants are exposed to theory and hands-on exercises in this one-day workshop.

Workshop - SEM Using AMOS

ADeC organised a statistical workshop led by Dr. Mahmoud Danaee on using AMOS for Structural Equation Modelling (SEM), attended by lecturers and students of UM, as well as other institutions.

Supervision Basic Course with Faculty of Business and Accountancy

On 26th July 2017, a Basic Course in Supervision was organised for lecturers from Faculty of Business and Accountancy in Bangunan Azman Hashim.

Visit from Audit AUN-QA Delegates

ADeC received a visit from delegates of ASEAN University Network - Quality Assurance (AUN-QA) on 11th July 2017.

SPeCTRUM Clinic

Our very first SPeCTRUM Clinic session was open on 19th July 2017. Each participant will get a 30 minutes one-to-one session with ADeC's e-Learning Head of Unit, Dr. Zahiruddin Fitri. We aimed to open the clinic session once a month to our UM community.

Next clinic : 16 August 2017

TN50 Dialogue Session with Minister of Higher Education

The National Transformation Dialogue 20150 (TN50) with the Higher Education Minister, Dato' Seri Idris Jusoh was organised by Universiti Putra Malaysia.

Attended by academics from public and private institutions of higher learning, including our Head of e-Learning unit, Dr. Zahiruddin Fitri and Senior Assistant Registrar, En. Mohd Khairolne zam Kahmis.
