

Teh Tarik Session

6 April 2018

The *Teh Tarik* Session was chaired by Dr. Nor Ishida Zainal Abidin. We really enjoyed the *teh tarik* while listening to her talk. Hope to hear talks from other members soon.

10 April 2018

Memorandum of Understanding (MoU) was signed between the Faculty of Engineering with RGS Corporation Sdn Bhd. The RGS Corporation Sdn Bhd was represented by Mr. Tue Chuan Huat (Managing Director) and Mr. Loy Hao Chih (Senior Manager). The Faculty was headed by Prof. Ir. Dr. Abdul Aziz Abdul Rahman (Dean of Faculty of Engineering), Prof. Ir. Dr. Ramesh Singh (Deputy Dean of Research), Assoc. Prof. Dr. Henk Metselaar (Head of Centre of Advanced Materials), Assoc. Prof. Dr. Andri Andriyana and Assoc. Prof. Ir. Dr Ang Bee Chin.

MoU Signing Ceremony

International Nanotechnology Olympiad (INO) 2018

10 - 15 April 2018

Two students from the University of Malaya (UM) were part of a team that represent Malaysia and won the Gold Medal in the Science, Technology & Innovation category in INO 2018. Joshua Soo Zheyang candidature is supervised by A/P Ir. Dr. Ang Bee Chin from CAM. Congratulations!

CAM visits to China

24 – 27 April 2018

Faculty of Engineering has sent a group of lecturers from CAM on an explorative visit to Tianjin University. The team consisted of A.P Dr. Henk Metselaar, A.P Dr. Andri Andriyana, A.P Ir. Dr. Ang Bee Chin, Ir. Dr. Wong Yew Hoong and Dr. Nazatul Liana Sukiman. The aim of the visit is to expressed the wish to establish collaboration with Chinese Universities.

Materials Lecture Competition (MLC 2018)

3 May 2018

Andrew Ng Kay Lup has won the first prize in the Materials Lecture Competition 2018 (MLC2018) at the National Level. Andrew, who is currently a PhD student, beat 11 other participants from 11 Universities in Malaysia. As the winner, Andrew received RM 3,000 prize and will represent Malaysia to the Young Person's World Lecture Competition 2018 (YPWLC2018) which will be held in Cape Town, South Africa in October 2018. Andrew was and will be trained by a Coaching Team which consists of academic staff from CAM. Congratulations and best of luck!

Visit by Prof. Ghaus Rizvi

21 May 2018

Prof. Ghaus Rizvi is a Professor in the Automotive, Mechanical and Manufacturing Engineering Department at the University of Ontario Institute of Technology in Oshawa, Ontario, Canada. His visit aims to explore the possibility of collaborations in research.
