

CAM Jamuan Hari Raya

10 July 2018

Centre of Advanced Materials had organized Jamuan Hari Raya to celebrate with all centre members, Faculty's top management, CAM postgraduates and final year students.

CAM Meeting & Head of CAM Birthday Celebration

3 September 2018

The event started with CAM monthly meeting to discuss on the past, current and upcoming activities in the centre. The meeting ended with a small birthday celebration for our Head of the Centre, Assoc. Prof. Dr. Henk Metselaar.

CAM Postgraduate Symposium 2018

26 September 2018

Centre of Advanced Materials organized the second CAM Postgraduate Symposium 2018 at The Cube, Faculty of Engineering. The symposium was aimed to increase the visibility of Materials research findings and to encourage collaboration among Materials scientists.

The event was a great success with 24 posters submission from UM postgraduate students. Five posters were selected for the best poster award. Congratulations to the winners and thank you to all participants. We hope to see you again next year!!
