Effective Teaching Programme for IUMW Lecturers

22-24 January 2019 | Chancellory Building, UM

Effective Teaching Programme is designed for IUMW lecturers to equip IUMW academicians with core skills vital for teaching in higher education.

The course spread across three working days.

The training programme involves lectures, discussions, as well as group and individual activities.

Participants explored and examined design principles and issues relevant to the construction of an effective learning experience. Modules also engaged participants in an interactive learning environment, while at the same time developing soft skills competencies.
