

## MARCH - JUNE

### The MCO Phase

From 18th March 2020, since Movement Control Order was imposed in Malaysia, the Teaching and Learning in Universiti Malaya turns 100% online.

ADeC is responsible in initiate the #UMTeachOnline campaign across the campus to help the lecturers and students in adapting the new learning mode.

Infographics on tips and guide were shared across many platforms, including the new WhatsApp and Telegram channels, specifically for #UMTeachOnline.

ADeC also came out with the official guideline on online teaching and learning (version 1). All this can be found under the #UMTeachOnline menu in our website.

To help UM academician coping with the changes, ADeC held a number of webinars on how to do online teaching using multiple platforms such as Google Hangout Meets and Microsoft Teams.

The campaign is still actively going around with upcoming webinars in plan as ADeC will hold our physical training until further notice.
