No. 3904.—In pursuance of the powers vested in him by sections 5, 75, 199 and 258 of "The Labour Code, 1912," the Chief Secretary to Government hereby makes the following rules under the said Enactment in substitution for the rules published in Notification No. 3147 in the Gazette of the 6th December, 1912, which are hereby cancelled:

1. "Controller" means the Controller of Labour appointed under section 5 of the Enactment and, subject to the limitations which may from time to time be prescribed under the said section, includes Deputy Controllers of Labour and Assistant Controllers of Labour appointed under the said section.

2. "Depôt" means a depot established under section 8 of the Enactment.

4. "Medical Officer" has the meaning assigned to that expression by the Enactment.

7. Port Sweetenham is prescribed to be a port at which all classes of immigrant ships may call.

8. No person shall communicate or attempt to communicate with a tong-kang or lighter in which immigrants are being disembarked under the provisions of Part II of "The Labour Code, 1912," or with the immigrants who are being conveyed therein.

9. The depôts shall be used primarily for the accommodation of immigrants who have received a free passage from India provided from the Indian Immigration Fund.

8. The Controller may refuse to re-admit to a depot any immigrant who has been removed therefrom by an employer or by any person acting on behalf of an employer.

12. The accommodation for the number of patients for which accommodation is from time to time required by order of the Controller to be made shall be in a proportion of not less than three beds for every 200 labourers employed on the estate, exclusive of the provision required to be made under rule 14, and may be in such higher proportion, not exceeding eight beds for every 100 labourers, as the Controller shall direct, and shall, unless the sanction of the Controller is obtained to the contrary, consist of buildings of a permanent character.

13. Separate accommodation to the satisfaction of the Medical Officer shall be provided for females, and separate accommodation shall also be provided if the Controller so directs for patients of any particular nationality or race.

14. A separate additional ward or wards shall be kept for use in special cases (e.g., for dysentery and diarrhoea cases); each such separate ward shall be not less than 22 feet wide and shall provide accommodation to the extent of one bed for every 100 labourers employed on the estate.

15. Unless special sanction in writing from the Controller has been obtained wards must be constructed in accordance with approved type plans, copies of which may be obtained from the Medical Officer.
