O. F. STONOR,
Acting Under Secretary, F.M.S.

No. 1.—Circular despatch of 25th October, 1919, from the Secretary of State for the Colonies, with one enclosure, are published for the information of those concerned:

CIRCULAR.

DOWNING STREET,
25th October, 1919.

SIR,—With reference to my predecessor's Circular despatch of the 31st of January, 1917, I have the honour to transmit for your information a copy of a letter from the War Office in regard to refunds being made to ex-Army officers and men who were entitled to repatriation overseas at the cost of Army funds, but who made their own arrangements for returning home and obtained passages at their own expense.

2. If there are any ex-soldiers in the territory under your government who made their own arrangements for return passages before the 1st of April last, after having unsuccessfully applied to the Repatriation Record Office at Winchester, or to some other Army Authority, the necessary applications will no doubt be submitted, accompanied by the information specified in the last paragraph of the War Office letter.

I have the honour to be,

Sir,

Your most obedient, humble servant,

MILNER.

HIGH COMMISSIONER
FOR MALAY STATES.

[Enclosure in Circular despatch of 25th October, 1919.]

WAR OFFICE,
LONDON, S.W. 1.
5th September, 1919.

SIR,—I am commanded by the Army Council to refer to your letters of the 10th April, 1919, 20th June, 1919, and 15th August, 1919, regarding refunds to officers and men, entitled to repatriation overseas at the cost of Army Funds, who made their own arrangements and obtained passages at their own expense.

As you are no doubt aware the demobilisation regulations were framed to allow those entitled to repatriation either to be kept on pay and be sent back at the earliest opportunity, or if they wished to defer passage for their own convenience to be demobilised in the United Kingdom and to apply for passage within 6 months of the date of demobilisation. In the latter case, no guarantee can be given that passage can be given at the time when the application is made, though whatever is possible is done to meet the applicant's convenience.

By the above arrangements it was hoped to meet the requirements of all classes. It would have been administratively impossible to have allowed each man to make his own arrangements and to refund the cost subsequently, and the Council are not prepared to make a general departure from the Demobilisation Regulations on this point.

It is, however, realised that in the first period of demobilisation the machinery at the Repatriation Offices at Winchester may not have been working quite smoothly, owing partly to misunderstanding on the part of some of those due for repatriation, and partly to the very heavy pressure of work at Winchester. The Council have accordingly decided that in cases in which an officer or man made his own arrangements (after applying to Winchester) owing to a mistake made by the Winchester authorities, a relaxation of the general rule may be made, and a refund granted on the basis of a round sum representing broadly what it would have cost Army Funds, had the repatriation been carried out through the usual channel. At present each case will be considered on its merits by the Inter-Departmental Repatriation Committee on which the Treasury is represented.

Since the machinery at the Repatriation Record Office, Winchester, was running quite smoothly by the 1st April last, no refund will be given in those cases in which men made their own arrangements to proceed after that date.

Applications for refund under the terms of this letter should be submitted through the Officer in Charge Repatriation Records, Morn Hill Camp, Winchester, to the War Office (S.R.I. a Repatriation) accompanied by a statement showing the circumstances under which the applicant proceeded instead of waiting for passage in the usual way, the ship by which he sailed, the date of embarkation and disembarkation, and proof of payment of passage: It must be clearly shown in all cases whether or not application for passage was made to the Repatriation Record Office, Winchester, or to any other Army authority and if so, with what result.

I am, etc.,

B. B. CUBITT.

THE UNDER SECRETARY OF STATE,
COLONIAL OFFICE.

OBJECTS AND REASONS.

The object of this Bill is to prevent unauthorized interference with rivers and streams and to impose on those responsible for any such interference the cost of remedying it, to provide for the restriction of building operations in immediate proximity to rivers, to enable control to be exercised over fishing in non-tidal waters, to consolidate the State laws prohibiting the taking of fish by means of *tuba* or dynamite, and to consolidate and amend the State laws regulating the constitution of drainage areas and irrigation areas and the imposition of drainage rates and irrigation rates.

It has been represented that damage is caused by obstruction or diversion of, or other interference with, rivers and streams, that river beds are encroached upon for building sites, that fishing is carried on by unduly destructive methods and in undesirable places, and that those whose agricultural or other operations necessitate the introduction or elaboration of drainage systems ought to be (but are not necessarily at present) liable to contribute to the cost of the establishment or maintenance of such systems.

No. 144.—SANITARY BOARD, KUALA LUMPUR.—

Minutes of an ordinary meeting of the Sanitary Board, Kuala Lumpur, held at the Sanitary Board Office on Wednesday, the 3rd December, 1919, at 9.30 a.m.

PRESENT: Mr. F. E. Taylor (*Chairman*), the Health Officer (Dr. A. R. Wellington), the Protector of Chinese (Mr. W. T. Chapman), the Superintendent, Revenue Surveys (Mr. H. R. Shaw), the Assistant Government Architect (Mr. W. S. Huxley), the Executive Engineer, Town (Mr. J. A. Swift), Mr. H. N. Ferrers, Mr. J. L. Sime, Towkay Khoo Keng Hooi, Dr. E. T. MacIntyre, and Haji Mohamed Taib.

ABSENT: The Chief Police Officer (Mr. H. M. Hatchell), the Collector of Land Revenue (Mr. G. Hemmant), Towkay Choo Kia Peng, and Mr. S. Mohideen Batcher.

1. Minutes of the previous meeting, having been circulated among the members, are taken as read, and confirmed.

2. Motor Bus Service: Mr. Khoo Keng Hooi, addressing the meeting, expresses the opinion that the establishment of a Government motor bus service is essential in order to provide cheaper transport than at present exists. After some discussion on its merits and demerits Mr. Khoo Keng Hooi moves as follows:

“That it is advisable that the Board should inaugurate a motor bus service in Kuala Lumpur.”

This is put to the meeting and carried by 7 votes to 3.

3. Widening of Market Street: The subject of the proposed acquisition of property for the widening of Market Street is considered, and the Board resolves to recommend to Government that lots Nos. 2, 3, 34 and 35 be acquired; sufficient land being retained for road widening purposes and the balance to be sold for building with a suitable frontage on Market Street.

4. River Walls: A letter, with sketch plan, from the Assistant Government Architect on the subject of constructing river walls, etc., is submitted. The Board favours the scheme generally and, provided the State Engineer is of opinion that it will not increase flood dangers, will ask for provision for the construction of an embankment wall along Holland Road and the continuation of the river wall from Java Street bridge to the proposed new bridge.

5. Hawkers: With regard to a complaint received from the Principal of the Methodist Boys' School, the Board decides to prohibit the hawking of food-stuffs on that portion of Golf Road between the Golf Club and Methodist Boys' School.

6. Widening Batu Road: With reference to Mr. Choo Kia Peng's request for information regarding Batu Road between Java Street and Malay Street, the Chairman informs the Board that plans in course of preparation show the building line to be in continuity with the existing new buildings.

7. Health Report: The Health Officer's report on the health of Kuala Lumpur for the month of October, 1919, is submitted:

(1) The population for the middle of October, 1919, is estimated at 66,781.

(2) Births: During the month, 100 births were notified, giving an uncorrected birth-rate of 17.97 per mille.

(3) Deaths: The total number of deaths registered as having occurred within the Sanitary Board limits was 208, giving a crude death-rate of 37.38 per mille. The number of deaths among the resident population was 145, giving a corrected death-rate of 26.06 per mille. The corrected death-rate for the corresponding month of 1918 was 133.15, this abnormally high rate being due to an influenza epidemic. There were 30 deaths of infants under the age of one year. The infantile mortality figure (deaths under one year of age per 1,000 births) was 300.

(4) The diseases causing the greatest number of deaths were:

Diseases.	Resident.	Non-resident.	Diseases.	Resident.	Non-resident.
Malaria	17	17	Dysentery and diarrhoea	19	8
Tuberculosis, pulmonary	13	8	Convulsions	17	—
Pneumonia	9	2	Beriberi	7	3
Other lung diseases	10	3			

(5) Infectious Diseases: Four cases of chicken-pox and one case of cerebro-spinal meningitis were reported.

(6) The total rainfall recorded at the General Hospital for the month was 278.6 m.m. The greatest fall for the 24 hours ending 6 p.m. was 74.2 m.m. on the 19th. There was no recorded fall for 14 days. The mean temperatures for the month were: 9 a.m., 80.2 degrees; 3 p.m., 85.8 degrees; 9 p.m., 77.03 degrees. The maximum temperature was 92 degrees on the 1st, 2nd, 4th, 6th, 8th, 10th, 11th, 12th, 13th, 14th, 19th, 20th, 21st, 22nd and 23rd, and the lowest was 70 degrees on the 3rd, 5th, 7th, 14th and 15th.

(7) Ten samples of milk were sent to the Government Chemist for analysis during the month, one of which was found to be adulterated.

8. Plans, Notices, Prosecutions, etc.:

The following are approved:

(a) One plan as per register;

(b) Three applications for water supply as per register;

(c) One hundred and twenty notices and 66 applications for prosecution;

(d) Assessment of new buildings as per register.

9. Proposed Shop, Birch Road: The Chairman is requested to reply to a petition received from the occupants of Mr. Choo Cheng Khay's houses that the Board is prepared to give general approval for the erection of a building to be used as a grocer's store on the sites indicated subject to suitable plans being submitted.

10. Street Stalls: It is decided not to allow the stall-holders at the Java Street bridge entrance of Malay Street to continue business in their present positions after the 31st December, 1919, but the Board have no objection to their removal to the vacant land lower down Malay Street.

11. Town Hall: An application from Mr. Nakajima to exhibit water colours in the Town Hall from 16th to 19th December, 1919, is approved subject to payment of \$25 per day for the use of the hall.

13. The Chairman informs Mr. Khoo Keng Hooi in reply to his enquiry regarding the progress of shade tree planting that plants are available at the nursery, tree guards for Holland Road are being made at the Factory, and instructions have been given for planting at Circular Road.

14. The Protector of Chinese questions whether eating stalls should be allowed in the Theatre Street market. The Chairman replies that the accommodation at this market for sale of pork exceeded requirements and rather than stalls should remain unoccupied a few were let out for sale of cooked food.

F. E. TAYLOR,
Chairman.
