SECOND SUPPLEMENT TO THE FEDERATED MALAY STATES GOVERNMENT GAZETTE

OF FRIDAY, THE 12TH OF MARCH, 1920.
(No. 6, Vol. XII.)

MAR 15 1920

PUBLISHED BY AUTHORITY.

SATURDAY, 13TH MARCH, 1920.

The following Notifications are, by direction of the Chief Secretary to Government, published for general information.

O. F. STONOR,
Acting Under Secretary, F.M.S.

No. 1156.—The following Bill about to be introduced in the Federal Council is published for general information:

A BILL
intituled

An Enactment to further amend the law relating to the purchase and smelting of Mineral Ores.

IT is hereby enacted by the Rulers of the Federated Malay States in Council as follows:

1. (i) This Enactment may be cited as "The Mineral Ores Enactments Amendment Enactment, 1920," and shall come into force on the publication thereof in the *Gazette*. Short title, commencement and construction.

(ii) This Enactment shall be read and construed as one with the Enactments mentioned in the schedule, which are hereinafter called the "principal Enactments," and any copies of the principal Enactments printed after the commencement of this Enactment may be printed with the amendments made by this Enactment.

2. Section 3 of the four principal Enactments first enumerated in the schedule and section 2 of the principal Enactment last enumerated in the schedule are amended by inserting next after the words "duly licensed in that behalf", in line 2, the words "under this Enactment". Amendment of section 3.

SCHEDULE.
PRINCIPAL ENACTMENTS.

State.	No. and year.	Short title.
Perak	5 of 1904	The Mineral Ores Enactment, 1904
Selangor	5 "	" " "
Negri Sembilan...	4 "	" " "
Pahang	1 of 1915	The Mineral Ores Enactment, 1915
"	16 of 1901	The Mineral Ores and Licensing of Goldsmiths Enactment, 1901

OBJECTS AND REASONS.

The principal Enactments prohibit dealings in ores without licence, and provide for the issue of licences; licences for wholesale dealings in ores are now also issued under the Non-Ferrous Metal Industry Enactment, 1918, wherein the subject is regarded from an entirely different standpoint. The Bill seeks to remove any ground for a contention that a person licensed under the latter Enactment is at liberty to deal in ores without being licensed under any of the principal Enactments.
