No. 1490.—The following Army Instruction (India) issued by the Government of India is published for general information:

ARMY INSTRUCTION (INDIA).

No. 104 of 1920.

DELHI,
17th February, 1920.

104.—RETENTION OF RANK BY OFFICERS ON THE TERMINATION OF THEIR COMMISSIONS OR ON CEASING TO BE EMPLOYED.

It has been decided that the rules regarding retention of rank contained in Army Order No. 376* of 1918, shall apply in the case of officers of the Indian Army and Indian Medical Service (whether holding permanent commissions or temporary), who have served satisfactorily during the present war.

2. This retention of rank will take the place of honorary rank granted hitherto under the terms of India Army Order No. 1194 of 1917, with the exception that officers who have held the appointment of Brigadier-General during the war may be granted the honorary rank of Brigadier-General on retirement, provided they have held this appointment for a minimum aggregate period of six months.

3. Regular officers cannot be considered for the grant of rank in respect of any higher temporary or acting rank held by them during the war until such time as they retire. Regular officers who resign their commissions will have no claim to retention of rank.

4. The grant of higher rank under the arrangements referred to in Army Order No. 376 of 1918 will not affect the rate of half pay or temporary invalid pension of any officers on the Temporary Non-Effective List who may have been re-employed under the War Office, and who have become eligible for higher rank than their substantive (or brevet) rank.

5. Officers who wish to avail themselves of the concessions referred to herein should submit their claims for retention of rank, or for the grant of higher rank, to the Military Secretary to His Excellency the Commander-in-Chief in India, supporting their claims by authenticated statements of their army service and any relevant documents.

6. The names of retired officers will be shown in the Indian Army List in their substantive (or brevet) rank with a note as to permission to hold higher rank.

7. The rules contained in this Instruction and its appendix do not apply to officers of the Indian Army Reserve of Officers. In their case special rules will be issued in due course.

8. Officers of the Indian Army Reserve of Officers on relinquishing their commissions or on being released from army service may, however, submit claims for retention of rank, or for grant for higher rank to the Military Secretary to His Excellency the Commander-in-Chief. Such claims will be dealt with when the conditions governing retention of rank, etc., in the case of officers of this class have been finally approved.

ARMY ORDER NO. 376 OF 1918.

Retention of rank by officers on the termination of their Commissions, or on ceasing to be employed.

1. An officer whose service has been satisfactory throughout, shall, on the termination of his commission, or on relegation to unemployment, be granted "permission to retain the rank" he has held under the following conditions.

2. This retention of rank will take the place of the honorary rank granted hitherto and the decision is retrospective to the beginning of the present war.

A.—SUBSTANTIVE RANK HELD WHILE SERVING.

3. An officer will be given permission to retain rank equivalent to the substantive rank he held or holds at the time of the termination of his commission or on relegation to unemployment, irrespective of how long he may have held that substantive rank.

4. Temporary rank in the New Army for officers holding temporary commissions, is the equivalent of substantive rank for the purpose of granting retention of rank.

B.—ACTING RANK OR, IN CERTAIN CASES, TEMPORARY RANK HELD WHILE SERVING IN A SPECIAL CAPACITY.

5. An Officer with a permanent or temporary commission, who holds acting rank or temporary rank while holding an appointment, and whose service on the active list is terminated, as the immediate result of sickness or wounds caused "in and by" the service, will be granted permission to retain the rank he held at the time of the termination of his commission or relegation to unemployment, or in the case of a lieutenant-colonel, reverted under paragraph 3 of A. C. I. 1251 of 1917, the rank he held at the date he incurred the disability which resulted in the termination of his commission or his relegation to unemployment, or he will be dealt with under the conditions of paragraph 6 below if more favourable.

6. In all other cases an officer will be given permission to retain, or be granted rank equivalent to the highest acting or temporary rank he may have held, provided that he has held that rank for an aggregate minimum period of six months.

No. 1701.—Minutes of an ordinary meeting of the Kinta Sanitary Board held at Ipoh on Wednesday, the 17th March, 1920.

PRESENT: Mr. C. F. J. Green (*Chairman*), the Health Officer, Kinta (Dr. H. M. C. Green), the Chief Assistant District Officer, Kinta (Mr. A. J. Sturrock), the Executive Engineer, Kinta (Mr. E. L. Bennett), the Deputy Superintendent, Revenue Surveys, Kinta (Mr. J. T. Wood), the Assistant Commissioner of Police, Kampar (Mr. G. Simpson), the Hon. Mr. A. N. Kenion, J.P., Towkay Chan Heang Thoy, J.P., and Towkay Thong Lim Seng.

ABSENT: The Chief Police Officer, Perak (Major A. McD. Graham), the Protector of Chinese, Perak (Mr. T. W. H. Kingston), Mr. H. J. Cooper, Datoh Abdul Wahab, J.P., and Mr. V. Sengal Rayen Naidu.

1. The minutes of the last ordinary meeting are taken as read and confirmed, the approval of the Resident being noted.

2. Matters laid on the table for the Board's information and approval:

- (a) Returns: Revenue and expenditure, abattoirs, Lux lamps, weights and measures and P.W.D. expenditure;
- (b) Plans as per list;
- (c) Registers of prosecutions and notices.

3. The return of births and deaths for February:

	February.	January.
Births	50	88
Deaths (corrected)	57	64
Death-rate per mille	20.14	22.67
Infantile death-rate per 1,000 births	180	159

The principal causes of deaths are:

Fever	19	11
Pulmonary diseases	14	23
Bowel diseases	6	8

The rainfall was 9 inches.

4. The Board resolves not to allow the erection of new cubicles in houses which have less than the required open area. When plans for such are received they should be returned with a request to provide more open space though not necessarily the full amount required under by-law 36 (i).

5. The Board note that the Resident does not agree to the Perak State Band being placed under the control of the Board.

6. The Chairman reads the letter of 25th October, 1919, from the Senior Medical Officer, Perak, to the Vice-Chairman of the Kinta Influenza Committee regarding the suggestions made for dealing with outbreaks of influenza in epidemic form. The Board note that they have nothing to do until called upon.

7. The Chairman reads a memorandum by the Resident on the building of different classes of houses in towns. The memorandum had been previously circulated to the members of the Town Improvement Committee. The Board generally agree with the following:

- (a) The marking out of zones for (1) bricks; (2) plank and tile; and (3) atap type of houses;
- (b) The lay out and drainage of the rows of houses in the zones to be approved by the Board paying due regard to fire risks;
- (c) Earth-floors to be allowed for the first two years and thereafter to be cemented if so required by the Board;
- (d) Cement drains to be insisted upon.

The Board agrees with Hon. Mr. Kenion, the Chairman dissenting, that as shop-houses are the normal development of towns, these zones should not be purely residential with just a store allowed at each corner of a block, as proposed by the Resident.

8. Reorganization of the Public Dairy, Ipoh: The Chairman explains the objections of the milk-sellers to the removal of the present dairy site to Gunong Lang or Tiger Lane. There being ample grazing ground in the mining area adjoining the present dairy reserve it is suggested therefore that the present site be retained and extended, if required, by the absorption of adjoining worked out mining land. The Board agree to the amended proposals.

9. Procedure regarding Notices and Prosecutions: The Chairman points out that under the Sanitary Boards Enactment No. 13 of 1916 the approval of the Board should be obtained before the issue of any notices or summonses, and in order to avoid delay it will be necessary to have meetings of the Board twice a month. Registers of notices and prosecutions will be brought up at each meeting, and, after approval, the necessary steps will be taken to issue the notices and apply to the Court for summonses, respectively. The Board agree to the adoption of the procedure outlined above.

10. Bakehouses at Nos. 1, 5, 7 and 9, Anderson Road, Ipoh: These buildings being in the opinion of the Health Officer unsuitable as bakehouses, the Board agree to give the licensees time until the end of the year to find other premises. No bakery licences will be issued for these premises for 1921.

11. Plan of Shop-houses Proposed to be Built on Lot Nos. 606 to 617, Brewster Road, Ipoh: The Board agree to twelve houses being built, the two corner ones being 25 feet wide and the ten between 18 feet wide.

12. Plan for Alterations to Premises No. 12 and 14, Hugh Low Street, Ipoh: The Board agree to the proposed alterations on the distinct understanding that on the certificate of occupation is to be stated that the premises are not to be used as domestic dwellings.

13. Requirements of Kampar as a Sanitary Board area: The Chairman refers to the memorandum drawn up by him and which he has circulated to the members. The Board agree with the Chairman's recommendations.

14. Nos. 1, 3 and 5, Eu Kong Street, Gopeng: These premises having been certified by the Health Officer as unfit for human habitation the Board agree to a closing order being applied for under section 24 (i) of Enactment No. 23 of 1917, should the owner, on being written to, not submit plans within a reasonable period for alterations which are acceptable to the Health Officer.

15. Insanitary Condition of Golf Club Cooly Lines, Ipoh: The Board decide to refer the matter to the President of the Ipoh Golf Club.

16. Plans of New Supreme Court, Ipoh: The Board agree with the general scheme but consider that Market Street should be 66 feet wide from its junction with Club Road to as far as the *Times of Malaya* building.

17. Formation of a Mosquito Destruction Board: The Board agree to the constitution of a Mosquito Destruction Board for Kinta and welcome with pleasure the Resident's offer to attend a special meeting of the Sanitary Board to be fixed for a day convenient to him. The Board suggest that the Mosquito Destruction Board should consist of the Health Officer (Chairman), the Chairman, Kinta Sanitary Board, the Executive Engineer, Kinta, a planter, a miner and two private medical practitioners. The Board agree that votes for mosquito destruction appearing as "annually recurrent" or "special services" be administered by the Chairman of the Mosquito Destruction Board.

18. Eating Shop at No. 5, Panglima Street, Ipoh: The Board agree that as the business is being taken over by a new management the building must be altered so as to provide one-third open space or other premises with the required open space must be found.

19. Pay of Chinese Firemen, Ipoh: The Chairman lays before the Board a petition from the Chinese firemen at Ipoh asking for an increase of pay. The Board agree to recommend the following rates, in addition to which they are to receive the 40 per cent. temporary allowance or such higher percentage as may be sanctioned by Government:

Fireman No. 1	\$40 per mensem
" " 2	29 "
" " 3	23 "
Engine Driver	45 "
Painter	23 "
Chinese Fireman	17-41-\$20.

20. Mealie Meal: Mr. J. T. Wood suggests that the Food Controller be asked to import 100 bags of unsifted mealie meal as mentioned in Mr. Hose's letter of 6th February, 1920. Buyers could be found in Kinta to take up the whole consignment. The Board agree.

21. Batu Gajah Railway Station: Mr. J. T. Wood represents the congested condition of the platform on the arrival at Batu Gajah of two trains from opposite directions. The Board agree to suggest to the General Manager for Railways that the platform be widened or a new and larger station be built on another site in the direction of Ipoh.

22. The Board adjourns *sine die*.

C. F. J. GREEN,
Chairman.

3. Butcher's Shops: Provided the alterations and improvements recommended by the Health Officer are carried out to his satisfaction the Board agrees to licence premises No. 10, Cecil Street, and No. 99, Sultan Street, as butcher's shops.
