No. 2431.—The following Despatch from the Right Honourable the Secretary of State for the Colonies is published for general information:

STRAITS SETTLEMENTS.

No. 146.

SIR,—Now that the war is over, I have the honour to request that you will give public expression of my high appreciation of and gratitude for the generous response of all classes in Malaya to the appeals that were made for donations and subscriptions to purchase war planes for the British Forces. The 53 war planes provided from Malaya were of the greatest value to our Forces, and I am much impressed by the fact that, in addition to the Princes and other persons of wealth and prominence who were in a position to make gifts outright towards the squadron or to make large individual contributions, subscriptions were received from members of every nationality, creed and occupation to the full extent that their means allowed.

The widespread feelings of loyalty and self-sacrifice shown by these gifts is highly gratifying apart from the great material value of the assistance thus rendered.

No. 2432.—The following Circular Despatch received from the Right Honourable the Secretary of State for the Colonies is published for general information:

CIRCULAR.

DOWNING STREET,
15th April, 1920.

SIR,—I have the honour to inform you that a Proclamation was recently issued in Egypt prohibiting the entry into that country after 1st February, 1920, of any person over the age of sixteen except on production of a passport sufficiently complying with the following conditions to satisfy the competent authority:

(1) (A) The passport shall have been duly issued not more than three years before the date of arrival of the holder.

(B) A photograph of the holder shall be attached to the passport, and the photograph shall have been stamped by the issuer in such manner as to identify the photograph with the passport.

(C) The passport shall have been duly visaed for Egypt by a British Consul or other competent British authority authorised to visa passports for Egypt.

(D) In the event of a person coming from a country which does not issue passports a certificate of identity may be substituted for a passport provided that it complies with Conditions (A), (B) and (C).

(2) The visa mentioned in Article 1 (c) shall be dispensed with in the case of any person ordinarily resident in Egypt, who produces a written permit to enter Egypt issued under the authority of the Minister of the Interior.

2. The Egyptian Government regard it as of extreme importance to Egypt that it should be clearly realised by all concerned that the issue of a passport or the giving of the visa is a responsible act, operating as a guarantee, not only that the holder of the passport is entitled to hold it, but also that he is a person to whose admission into Egypt there is no known objection. If the issuing Officer cannot guarantee this he should refuse the application and refer the applicant to the Egyptian Government. It will very commonly be necessary to take this course in the case of Egyptians who are not in possession of a permit to return to Egypt.

I have the honour to be,
Sir,
Your most obedient, humble servant,

MILNER.
