HINDU MARRIAGE REGISTRATION.

OBJECTS AND REASONS.

The Executive of the General Labour Committee recently recommended the introduction of a law to enable Hindu marriages celebrated on an estate to be registered, as a means of preventing subsequent disputes as to the status of the parties. This Bill follows in the main the provisions of "The Marriage Registration Enactment, 1911," but an endeavour has been made to adapt these provisions to the special circumstances of Indian labourers. The Bill has been referred to a Committee of Hindu gentlemen from whom valuable suggestions have been received.

No. 4386.—It is notified for general information that a despatch has been received from the Secretary of State for the Colonies to the effect that the Imperial Finance Bill, 1922, contains a provision extending section 20 of the Finance Act, 1894, to the Malay States, this term being defined as meaning the Federated Malay States and Johore, Kedah, Perlis, Kelantan, Trengganu and Brunei.

Section 20 of the Finance Act, 1894, reads as follows:

(1) Where the Commissioners are satisfied, that in a British possession to which this section applies, duty is payable by reason of a death in respect of any property situate in such possession and passing on such death, they shall allow a sum equal to the amount of that duty to be deducted from the estate duty payable in respect of that property on the same death.

(2) Nothing in this act shall be held to create a charge for estate duty on any property situate in a British possession, while so situate, or to authorize the Commissioners to take any proceedings in a British possession for the recovery of any estate duty.

(3) Her Majesty the Queen may, by Order in Council, apply this section to any British possession, where Her Majesty is satisfied that, by the law of such possession, either no duty is leviable in respect of property situate in the United Kingdom when passing on death, or that the law of such possession as respects any duty so leviable is to the like effect as the foregoing provisions of this section.

(4) Her Majesty in Council may revoke any such order, where it appears that the law of the British possession has been so altered that it would not authorize the making of an order under this section.

PUBLIC TRUSTEE ENACTMENT.

No. 4609.—An office of the Public Trustee for the Federated Malay States having been established in Kuala Lumpur, the attention of the public is invited to the twofold advantages offered by this office in the administration of estates and trusts.

Firstly, there is a continuity of management. The administration of estates or trusts by private persons is often protracted or impeded by the death or absence from the country of the administrators or trustees, rendering necessary frequent, and sometimes expensive, applications to the Court. The Public Trustee, on the other hand, holds office continuously, and no further reference to the Court is necessary, notwithstanding that the holder of the office may be changed from time to time.

Secondly, there is a guarantee by the Government, the revenues of the country being liable, under certain conditions, to make good all sums required to discharge any liability incurred by the Public Trustee.

The Public Trustee will undertake two classes of trusts, for which fees on a moderate scale, as approved by the Government, will be charged.

Firstly, he will administer small estates of deceased persons, if the gross capital value of the estate is less than \$5,000. Any person, who would be entitled to apply to the Court for an order for the administration of such an estate, may apply instead to the Public Trustee to administer the estate. Further, any estate, of whatever value, which is being administered by an executor or administrator, may, with the sanction of the Court and on the application of the executor or administrator or of any person beneficially interested, be handed over to the Public Trustee to administer.

Secondly, any person may appoint the Public Trustee to be executor of his will or to be trustee of any will or settlement or other instrument creating a trust (other than a trust exclusively for religious or charitable purposes).

Further particulars can be obtained on application to the Public Trustee at his office in the Supreme Court, Kuala Lumpur.

MAGISTRATE'S OFFICE, TAPAH,

No. 4690.—SANITARY BOARD, SEREMBAN.—

Minutes of a Sanitary Board meeting held on July 18th, 1922, at 10 a.m.

PRESENT: Chairman, Sanitary Board (Mr. H. H. Banks), the Executive Engineer (Mr. F. G. Finch), Mr. K. Browne, Tunku Hassan, J.P., and Towkay Chai Chit Sam.

ABSENT: Collector of Land Revenue (Mr. E. B. Williams), Health Officer (Dr. R. B. Jackson), Superintendent, Revenue Surveys (Mr. E. W. Geyer), Chief Police Officer (Mr. G. S. Magill), Assistant Protector of Chinese (Mr. A. B. Jordan), Messrs. W. H. W. Gubbins, P. P'Chient, J.P., and Towkay Wong Yick Tong, J.P.

Minutes of the previous meeting held on June 20th, 1922, having been circulated amongst the members, are taken as read and are confirmed.

BUSINESS:

1. Papers dealing with payment of the revenue received from the Electrical Power Station to the Electrical Board were submitted to the Board and a letter on the subject from the Hon'ble the Chief Secretary to the Hon'ble the British Resident, Negri Sembilan, read. The Board considered that the question of payment to the Electrical Board should remain in abeyance until the Government took over the Electrical Power Station, Seremban, in 1923 from the present undertakers.

2. Papers dealing with Regulation of Dairies was brought up. The Chairman informed members that it was necessary to pass by-laws 147 to 151 again, and that it was suggested that the words "or seller of milk" be inserted after purveyor of milk on by-law 147 (i) and a new by-law 149A: "No person shall commit a nuisance or spit within the precincts of a dairy" be added. The Board agreed and passed the by-laws on the proposal of Mr. K. Browne, seconded by Tunku Hassan.

3. Papers dealing with by-law 93A were laid before the Board and a minute from the Hon'ble the Chief Secretary read. Chairman informed Board that the fee originally suggested by the Board was \$2 per month payable quarterly in advance by any one selling vegetables or fruits within the precincts of the market who were not actually stall-holders. It was considered that this fee might cause hardship to occasional sellers, particularly during the fruit season. The Hon'ble the British Resident had suggested that the fee be 50 cents per month. Tunku Hassan proposed that the fee be reduced to \$1 per month and the Board decided to recommend accordingly. The Chairman informed members that a hawker's licence could always be granted to the poorer Malays who might desire to sell in town at odd periods during the fruit season.

4. Chairman reported that a theft of meat from the abattoirs had taken place, the hanging room having been broken into during the night. The thieves had not been traced, Leong Hong had lost 50 katties of meat and Zainullabdeen 1 picul and 25 katties; both butchers had asked for compensation. The Board after discussion decided to inform the butchers that they could not admit any liability for the loss. The question of keeping meat elsewhere than in the hanging room at abattoirs was one for the Health Officer.

5. The Board considered an application from Mohamed Eusope, lessee of the abattoir, for a reduction in the monthly rental paid to the Board. Chairman informed Board that the lessee paid \$40 per month and that the return of cattle and buffaloes slaughtered showed that lessee was actually losing over his contract.

The Board decided to call for new tender for the remainder of the year and to inform Mohamed Eusope accordingly.

GENERAL.

Chairman reported that seven of the additional fruit and vegetable stalls had been cancelled as the holders had ceased selling and that 10 stalls in the central market had been cancelled, either for transferring without the Board's sanction or for failure to obtain approved weighing machines. The case of Vegetable No. 13, the holder of which has since provided himself with the approved weighing machine, was considered and it was decided to reinstate him.

The Chairman reported that Fish Stall No. 25, one of those cancelled, had now been given to a Hakka, that nationality not being represented in the fish market.

Chairman informed Board that licence for Pork Stall No. 9 had been granted to Kok Ah Moi, widow of the late holder Wong Soon, for a period of three months to enable her to pay off certain debts. Her nominee would be permitted to conduct the business for her during that period, at the end of which time the stall would be vacant and the Board would consider applications for it.

Chairman informed Board that the Hon'ble the British Resident had approved the Board's recommendation regarding building condition on certain building lots at Nilai.

Chairman informed Board that the Hon'ble the British Resident had approved the recommendation of the sub-committee appointed by the Board to consider and make recommendation regarding rates to be charged for water.

The revenue obtained for water from 38 metered supplies in 1921 came to \$950.18, if charged at flat rate the revenue would have amounted to \$1,140.

The Chairman reported that the Hon'ble the British Resident had approved the appointment of market watchman. The Board left the matter of selection to the Chairman, appointment to be with effect from 1st August.

FORMAL.

Three plans of alterations and additions passed by Plan Committee are placed on the table.

Three obsolete applications and plans for alterations and additions are placed on the table and cancelled by the Board.

The Health Officer's return of births and deaths for the month of June, 1922, is laid on the table.

Twenty-four notices and twelve applications for prosecutions are approved.

The Board adjourns *sine die*.
