9. Proposed Approach Drive through State Land to St. Michael's School, Ipoh : The Chairman produces a plan accompanying an application from the management of St. Michael's School, Ipoh, asking to utilize State land for an approach drive. Mr. Brash proposes, and Mr. Cooper seconds, an amendment permitting the school authorities to use the land, so long as it is not required by Government, but that no road is to be made thereon. Mr. Brash, seconded by Mr. Goodman, submits an amendment adhering to the by-law as passed at the meeting in February. On a show of hands the amendment is lost. Mr. Slater's proposal is therefore carried and the Board pass the following by-law in substitution for that passed at the February meeting :

35 (i) Before any person erects or sets up a temporary building he shall apply to the Board for permission so to do; and no such building shall be constructed without the approval in writing of the Board, nor otherwise than in accordance with the instructions of the Board.

(ii) Unless the Chairman gives exemption in writing, the application shall be accompanied by a plan and sections as prescribed in by-law No. 8, together with a specification describing the materials proposed to be used in the construction of the building, and the purpose for which the building is intended.

(iii) The Board may attach to their approval any condition which they deem proper with regard to the purpose for which such building shall be used, the distance of such building from any other building, the sanitary arrangements of the building, the ingress thereto and the egress therefrom, protection against fire, and the period during which the building shall be allowed to stand.

Mr. Cooper seconds the motion. Mr. Goodman proposes as an amendment, seconded by Towkay Thong Lim Seng, that consideration be postponed to the next meeting as he would like to look over the place. On a show of hands the amendment is lost. The original motion is carried.

The Board concurs.
