PUBLIC TRUSTEE ENACTMENT.

No. 4609.—An office of the Public Trustee for the Federated Malay States having been established in Kuala Lumpur, the attention of the public is invited to the twofold advantages offered by this office in the administration of estates and trusts.

Firstly, there is a continuity of management. The administration of estates or trusts by private persons is often protracted or impeded by the death or absence from the country of the administrators or trustees, rendering necessary frequent, and sometimes expensive, applications to the Court. The Public Trustee, on the other hand, holds office continuously, and no further reference to the Court is necessary, notwithstanding that the holder of the office may be changed from time to time.

Secondly, there is a guarantee by the Government, the revenues of the country being liable, under certain conditions, to make good all sums required to discharge any liability incurred by the Public Trustee.

The Public Trustee will undertake two classes of trusts, for which fees on a moderate scale, as approved by the Government, will be charged.

Firstly, he will administer small estates of deceased persons, if the gross capital value of the estate is less than \$5,000. Any person, who would be entitled to apply to the Court for an order for the administration of such an estate, may apply instead to the Public Trustee to administer the estate. Further, any estate, of whatever value, which is being administered by an executor or administrator, may, with the sanction of the Court and on the application of the executor or administrator or of any person beneficially interested, be handed over to the Public Trustee to administer.

Secondly, any person may appoint the Public Trustee to be executor of his will or to be trustee of any will or settlement or other instrument creating a trust (other than a trust exclusively for religious or charitable purposes).

Further particulars can be obtained on application to the Public Trustee at his office in the Supreme Court, Kuala Lumpur.

No. 2730.—PUBLIC OFFICERS' GUARANTEE FUND.—NOTICE.—There are unclaimed balances in the Public Officers' Guarantee Fund standing to the credit of officers who have died, resigned or ceased to contribute, payment of which will be made on claims being satisfactorily established.

Any further information can be obtained from the Secretary, Public Officers' Guarantee Fund, Kuala Lumpur, to whom also all claims for refund should be addressed.
