No. 7318.—EXAMINATION FOR CHINESE INTERPRETERS.—

The Secretary for Chinese Affairs, Federated Malay States, will hold an examination under the Scheme for Chinese Interpreters of 1921 at the Chinese Secretariat, Kuala Lumpur, on or about the 3rd of December, 1923.

Any interpreter who may wish to present himself for examination for extra qualifications must forward to the Secretary for Chinese Affairs, through the Head of his Department, an application to that effect accompanied by a copy of statement of his service and (unless he is a certificated interpreter) a copy of any certificate held by him.

Applications should reach the Secretary for Chinese Affairs by November 24th, 1923.

Heads of Departments when forwarding any such application are requested to report upon the work of the applicant.

In order to avoid interpreters wasting unnecessary time in Kuala Lumpur, applicants will be notified on which day they should present themselves for examination.

In places distant from Kuala Lumpur or where access is difficult, as in the case of Kuantan and Pekan, applicants should state the day or days of the week which are best suited to enable them to return to their appointments with as little delay as possible.

Certificated interpreters who have reached the salary of \$1,800 per annum will be required to present themselves for re-examination before the Certificate of Efficiency prescribed by section 8 of the New Certificated Interpreters' Scheme will be granted.

No. 7321.—REBATES ON TIN DUTY.—REDUCED ROYALTY ON TIN IN SPECIAL CASES.—

The Government is prepared to consider applications for a reduction in particular cases of the royalty on tin won from lodes or from low grade alluvial workings or from mines where ore is refractory to win or treat.

Applications should be addressed to the Resident of the State in which the mine is situated. Each application should be accompanied by a statement of the facts which it is proposed to prove in support of the application, together with the names of persons whom the applicant may desire to call to support the application and a list of documents or plans which he may wish to produce at the enquiry.

A committee, consisting ordinarily of the Senior Warden, the Warden and an assessor, will be appointed to consider each application and enquire into the facts and the committee will furnish a report to the Resident, who will submit it with his recommendations to the Chief Secretary.

If it is decided to grant a reduction the amount of royalty will be fixed for a certain period not exceeding five years, but applications for a continuation of the reduced rates will be considered.

Such applications should be made six months before the expiration of the period.

No application for reduction will be considered unless the applicant himself is working the mine or that part of the mine in respect of which the application is made.

The Government reserves to itself the right to refuse any application for a reduction of royalty without assigning any reason for its refusal.

Applicants will be required to deposit a sum of money to cover the cost of the enquiry, including a reasonable fee to be paid to the assessor.

Notification No. 1552, published in the *Gazette* of the 18th June, 1915, is hereby cancelled.
