Effect of notification.

ABSENT: The Chief Police Officer, Perak (Mr. V. G. Savi), Mr. H. J. Cooper, Datoh Abdul Wahab, J.P., and Towkay Thong Lim Seng.

1. The Chairman, on behalf of the Board, extends a welcome to Dr. R. L. Symes on his assumption of the duties of Health Officer, Kinta.

2. The Chairman brings to the notice of the members present that it is the last meeting Mr. A. M. Goodman will attend prior to proceeding on long leave. He tenders his thanks to Mr. Goodman for the valuable assistance he (Mr. Goodman) has rendered as a member of the Board.

3. It is announced by the Chairman that the sub-committee which dealt with appeals against the assessment fixed for 1924 concluded its work on the 13th November current.

4. Assessment under section 13 of "The Sanitary Boards Enactment, 1916": The meeting is informed that the additional assessment rate of 5 per cent. is to be levied in 1924 on unbuilt upon shop lots in certain areas of Ipoh and Kampar only.

5. Fish ponds, Ipoh: The Chairman states that he has been informed to the effect that the Malaria Advisory Board agrees with the Senior Health Officer in his opinion that every fish pond should be considered on its merits. The Chairman points out that this reply leaves the matter where it was when the resolution at the September meeting was passed.

6. The minutes of the last ordinary meeting, having been passed by the Resident and circulated, are taken as read and confirmed.

7. Matters laid on the table for the Board's information and approval:

(a) Returns: Revenue and expenditure, abattoirs, Public Works Department water consumption, Lux lamps, weights and measures and milk analyses under the Sale of Food and Drugs Enactment;

(b) Seventeen plans as per register;

(c) Four hundred and eighty-three notices, one hundred and fifteen applications for prosecutions and one application for authority under section 11 of "The Sanitary Boards Enactment, 1916."

9. Report on tuberculosis by the Senior Health Officer: Discussion is postponed until the paper, which is in circulation, has been seen by all the members of the Board. In the meantime the Chairman is requested to obtain, through the proper channel, the meaning the Principal Medical Officer intended to convey in certain expressions used by him in his letter, dated 22nd September last, covering the Senior Health Officer's report.

10. Proposed hotel at premises No. 2, Brewster Road, Ipoh: A letter is read asking if the Board has any objection to the shop-house bearing No. 2, Brewster Road, Ipoh, being used as an hotel. After some discussion the Chairman asks for a show of hands. It is decided to reply, by seven votes to three, that the Board has no objection.

11. Insanitary dwellings, Ipoh: The Chairman points out that since the last meeting of the Board "The Town Improvement Enactment, 1917," has been repealed by "The Town Planning Enactment, 1923." As there is no provision under the latter Enactment for dealing with insanitary dwellings, no further compulsory action can be taken on the Health Officer's report on the fourteen shop-houses situated in Leech Street and Belfield Street, Ipoh. The Chairman adds that he has reason to believe the necessary power will eventually be restored by amending "The Sanitary Boards Enactment, 1916."

12. Pork-shops, Ipoh: On the recommendation of the Market sub-committee (Mr. A. M. Goodman and Towkay Foo Wha Cheng), the Board agrees to issue licences to *bona fide* applicants who have secured or are able to secure buildings in approved localities suitable for the purpose of a pork-shop and have the means to comply with all the requirements of the Board in connection therewith.

13. Plan of three houses to be erected on plan No. 11,104, Ipoh: The Chairman states that the type of building is not unsuitable to the locality and has the approval of the Health Officer but the site is in an area to be developed under a scheme which the Government Town Planner has under consideration. The Board unanimously passes the plans as it is of opinion that there is no good reason at this stage to hold them up pending formulation of a scheme to be laid before and approved by a Town Planning Committee when one is appointed at some future date.

14. Scheme for the Subordinate Sanitary Service: The Board is informed by the Chairman that a new Scheme for the Subordinate Sanitary Service has been approved by which all Sanitary Inspectors at present under the control of the Board are to be placed under the Medical Department. It has been intimated that the manner in which existing Sanitary Inspectors are to be brought on to the new scheme will be communicated to him later. The Chairman reads correspondence and also states that the scheme which has been approved by the Secretary of State was formulated without the knowledge of the Chairmen of the principal Sanitary Boards. Mr. J. A. S. Jennings proposes, and Towkay Lee Ah Weng seconds, the following resolution:

That the Board records a protest against the manner in which a new scheme for subordinate officers under the control of the Board has been prepared and carried through without the Board or its chief executive officer being consulted.

On a show of hands the resolution is carried, one member abstaining from voting. At the request of Mr. A. M. Goodman it is decided to circulate the correspondence on the subject.

15. Questions by Mr. J. A. S. Jennings: After due notice, Mr. J. A. S. Jennings asks the following questions:
1. Will you oblige me by defining the duties of the Chief Sanitary Inspector, Perak, whose main work lies in Kinta which is the most densely populated district in the Federated Malay States and in the urban area of which, I understand, there is a population of 100,000?
  2. Is the Chief Sanitary Inspector, Perak, at present under the control of this Board, subject to the British Resident of Perak, and is there any likelihood of this control being transferred to the Federal Medical Department?
  3. If there be such likelihood, will you, Sir, represent to the Hon'ble the Chief Secretary the apprehension that exists in Kinta that the transfer of the control of the Chief Sanitary Inspector, Perak (at present an officer of the Perak State Government) to the Federal Medical Department may lead to the loss of the Chief Sanitary Inspector's service to the Kinta Sanitary Board which Board, I repeat, is responsible for the most populous urban area in the Federated Malay States?
  4. Has any proposal ever been made for replacing the wooden bridge across the Sungei Pari River by a more reliable structure?
  5. Has it occurred to Government that this wooden bridge collapsed one day under a conservancy lorry, and most of the conservancy lorries were on the Tamil Settlement side of the river, it would be a grave matter for Ipoh for the reason that night-soil and refuse would have to be left in Ipoh?

The Chairman replies as follows:

1. The Chief Sanitary Inspector, in my opinion, occupies the position of technical adviser to the Chairman.
2. I am not at liberty to give the information.
3. I shall certainly do so.
4. In the 1919 Budget provision for new abutments was asked for. A new bridge was asked for in 1923 and 1924 Budgets.
5. The Public Works Department has ten large lorries which I could ask the Executive Engineer to lend me. I am informed there is no immediate fear of the bridge collapsing.

16. Proposed house and gardener's quarters on plan No. 19,978, Ipoh: The Board by a majority refuses to pass the plans as the types of buildings proposed to be erected are unsuitable to the locality.

17. The Board adjourns *sine die*.

IPOH,  
22nd November, 1923.

A. J. STURROCK,  
Chairman.

## BUSINESS:

Papers dealing with erection of a sanatorium for tuberculosis were laid before the Board, and the Health Officer's returns for the first nine months of the year were laid on the table. Considerable discussion followed. The Board were not greatly in favour of incurring expenditure in the erection of a sanatorium at the present time and were of opinion that fresh legislation was not necessary. The Board considered that the best way of dealing with the matter was by a more strict enforcement of the existing regulations, and were of opinion that the present staff should be strengthened. The Chairman reminded the Board that a resolution had been passed some years previously, directing that all new cubicles be provided with windows opening direct to the open air. The new type of houses with open areas at the side made this practicable. The Collector of Land Revenue considered that closing powers might be strengthened. It was decided to call for further statistics from the Health Officer and to bring the matter up at the next meeting for further consideration.

2. Papers dealing with petrol supply pumps on five-foot ways were laid on the table for discussion. It was decided to await further discussion until the Kuala Lumpur Sanitary Board had been written to regarding their experience with the petrol supply pumps erected there.

3. A plan showing the area round Seremban which it was suggested be gazetted under section 51A of the Sanitary Board Enactment were laid before the Board and approved.

4. Nomination of two members of the Board to serve on the Town Planning Committee. The Board decided to nominate Mr. W. H. W. Gubbins and Towkay Cheah Soon Moh to serve. The Board assume that the Honourable the British Resident will nominate officials.

5. Papers dealing with tenders for various works 1924, and tender for cattle food for 1924 which had been dealt with by the sub-committee appointed by the Board were laid on the table for the information of the members.

6. Water supply to Binjai, the Chairman informed the Board that the State Engineer has no objection to the supply being given. All pipes would be laid at applicants' expense under the direction of the Public Works Department. The maximum number of taps allowed not to exceed ten. The Board decided to recommend the application to the Honourable the British Resident and recommend that a special flat rate of \$5 per tap per month be levied.

7. In view of the numerous thefts at the rest-house, the Board appoint a sub-committee of the Chairman, Sanitary Board, and Executive Engineer to report on the rooms and garage of the rest-house and make recommendations.
