THE REGISTRY, SUPREME COURT, IPOH,
16th July, 1925.

J. L. McFALL,
Assistant Registrar, Ipoh.

No. 4837.—SANITARY BOARD, KUALA LUMPUR.—

Minutes of an ordinary meeting of the Sanitary Board, Kuala Lumpur, held in the Board room at the Sanitary Board Offices on Wednesday, the 1st of July, 1925, at 9.20 a.m.

PRESENT: The Chairman (Mr. W. M. Millington, M.C.S.), the Health Officer (Dr. E. H. Black), the Executive Engineer, Town (Mr. W. J. Smith), the Chief Police Officer [Mr. H. Langworthy (representative)], the Collector of Land Revenue (Mr. G. A. de C. de Moubray, M.C.S.), Mr J. L. Sime, Mr. Loke Chow Thye, J.P., Mr. Yap Tai Chi, J.P., Mr. H. B. Talalla, Dr. E. T. MacIntyre, J.P.

ABSENT: The Protector of Chinese (Mr. A. B. Jordan, M.C.S.), Mr. Khoo Keng Hooi, J.P., Mr. M. Cumarasamy, Raja Uda.

IN ATTENDANCE: The Acting Secretary (Mr. P. M. Carrier), representative of the Press.

1. Minutes: The minutes of the previous meeting, having been circulated, are taken as read and confirmed. The Chairman conveys to the meeting the Hon'ble the British Resident's appreciation of the members' kind congratulations.

2. Development of a public park on the old Petaling golf links: The Board is of opinion that the proposal to make paths should be dropped for the present and that development should be by providing shelters, trees, shrubs and flower beds. It is agreed that grass cutting and upkeep of flower beds should be done by the Sanitary Board.

3. Recommendation to rescind the reservation for shop lots on railway reserve on Batu Road: The Board concurs with the Town Planning Committee's proposal.

4. Application by Rev. R. D. Whitehorn for the use of the Town Hall free of rent for St. Andrew's Church concert on 11th July, 1925: The Board approves the application.

5. Permission to raise the price of bullock and buffalo meat: The Chairman reads the petition from the beef sellers and states that the matter was referred to the Market Price Sub-Committee. The sub-committee recommends an increase for buffalo and bullock meat to 47 cents per katty. The Board confirms the recommendation.

6. Application by Wong Thye for the four cancelled meat stalls in the Central Market to sell beef at current price: The Board rejects the application.

7. Site for railway quarters, Petaling Hill: The Board, after some discussion, adheres to its former decision.

8. Application for permission to occupy an area behind the Miners' Association Hall on Belfield Road for the purpose of conducting an opera: The Board considers that the area is not suitable and refuses the application.

9. Complaint *re* condition of Galloway Road: The Executive Engineer, Town, states that certain repairs are being done. The Health Officer promises to look into the question of the sanitation of the locality.

10. Question by Mr. Khoo Keng Hooi regarding provision in the Town Planning Scheme for 1925 for sites for parking cars, open areas, markets and areas for squatters: It is suggested that the question involves a very wide scope and might be reduced to something more definite. The Board agrees to replace it by the following: Have any areas been earmarked for eventual inclusion in the draft town plan for: (i) open spaces (including parks), (ii) markets, (iii) parking spaces for cars? The Collector of Land Revenue states that the question of areas for squatters is being considered by a sub-committee.

11. *Re* discussing water supply questions with the State Engineer: The meeting is informed that the State Engineer is willing to discuss these matters with the representatives of the Board on any day between the 14th and 17th of July, 1925. The Board fixes the 17th July for a meeting and will choose its representatives at a Sanitary Board meeting to be held on the 15th *idem*.

12. Dangerous corner at the junction of Church Street and Bukit Nanas Road: The Chairman mentions that improvement to this corner will probably involve expenditure of \$250 from the vote for Town Improvements and asks whether the Board is prepared to incur it. It is decided to hold this matter over until the next meeting and so give the members an opportunity of visiting the locality.

13. Proposed market site for Princes Avenue: The Chairman reports that the Government Town Planner has proposed a site.

14. *Re* market for Brickfields: The Chairman states that the matter is under consideration. Site and class of building are being discussed at present.

15. *Re* amending section 58 of the Town Planning Enactment: Arising out of the previous resolution in regard to the proceedings of the Town Planning Committee, the Chairman mentions that the Secretary to Resident has intimated that the question of altering section 58 of the Town Planning Enactment is under consideration.

16. Suggested addition of a by-law (to be numbered 9A) to the Sanitary Board by-laws: The Chairman submits for the consideration of the Board copy of a letter from the Secretary to Resident, Perak, *re* provision of simple type plans. The Board asks for more information concerning the class of plans referred to.

17. Rabies in Kuala Lumpur: The meeting is informed that no further outbreaks have been reported.
18. Replies to Mr. Talalla's question:
 Q—(1) Is the present clerical staff provided for the Sanitary Board sufficient to cope with the work?
 A— In my opinion the clerical staff is not sufficient to cope with the work under present conditions.
 Q—(2) How much of the work in the office is in arrears, if any?
 A— There are arrears of clerical work in the Revenue Office.
19. Further reply to Mr. Talalla's question:
 Q—(1) Are there any first class wards in the General Hospital?
 A— I am informed that there are not any first class wards in the old General Hospital.

The following matters are laid on the table for the information of the members:

- (i) Report of sub-committee on the prevention of the spread of tuberculosis.
- (ii) Correspondence *re* legislation regarding closing orders.
- (iii) Valuation of private, State and railway properties.
- (iv) Census of pit latrines in Kuala Lumpur.

GENERAL.

1. Mr. Yap Tai Chi gives notice of the following questions:

- (1) Is it a fact according to the issue of the Yik Khuan Press of the 24th instant many country people were arrested on the 24th instant near Foch Avenue, while plying their home products for the Chinese festival.

If so, (a) how many were arrested, (b) what is the cause of their arrest since we have agreed at the last Board meeting to allow these people to sell their home products during the Chinese festivals?

- (2) What is the number of births during the first half of this year?

(a) What is the respective number of boys and girls?

(b) What is the number of child death during the same period and the cause of death?

2. Mr. Talalla requests that the reason for the non-incorporation in the minutes of the meeting held on 20th May, 1925, of his comments made at the previous meeting on the replies given to his question on the prevention of the spread of tuberculosis, may be discussed at the next meeting.

The meeting adjourns at 11.25 a.m.

Confirmed on 15th July, 1925.

Chairman, Sanitary Board, Kuala Lumpur.

NOTICE.

DEPARTMENT OF AGRICULTURE, S.S., F.M.S.

GOVERNMENT EXPERIMENTAL PLANTATION, SERDANG.

Planters and others interested in agriculture are hereby notified that a large scale experimental plantation exists at Serdang in the State of Selangor, F.M.S.

This plantation is situated about 14 miles by road from Kuala Lumpur and 5½ from Sungei Besi Railway Station. It has been started with the object of carrying out experiments with crops other than rubber and coconuts, and at the present time over 100 different crops are under cultivation on either a large or small scale according to their agricultural importance.

In order that the public may become acquainted with the experimental work which is being carried out on the plantation the third Wednesday in each month has been fixed as a "Visitors' Day" when members of the staff will be detailed to show any persons interested in agricultural matters over the plantation and its extensive nurseries.

In certain cases special visits other than on visitors' day may be arranged on application to the Secretary for Agriculture, S.S. and F.M.S., Kuala Lumpur, or to the Agriculturist, Government Plantations, F.M.S., Kuala Lumpur, but in order not to interfere with the work of the staff such visits will necessarily have to be limited, and the public are requested to make use of the fixed visiting days as far as possible.

A hostel on the plantation provides a limited amount of accommodation and, in special cases, arrangements can be made to accommodate visitors on application to the Assistant Agriculturist, Experimental Plantation, Serdang, Sungei Besi P.O. (Telephone No. 4, Kuala Lumpur Exchange.)

Imperial Typewriter

Quality—Economy—British

We prove by actual demonstration that you cannot buy a better typewriter. More-over the "Imperial" costs less than the best foreign machines.

The "Imperial" is a Masterpiece of British engineering and on no other typewriter will you find all its advantageous points. Not only because it is British, but on its merits, we ask you to investigate the "Imperial" before purchasing foreign machines.

The "Imperial" is fitted with typically British characters—not found on foreign typewriters—96 in all, 12 more than usual. Visible writing on which the light is thrown whatever the position of the machine. Typing to the extreme top or bottom of the paper or card used. Unfailing regularity in the spacing and alignment of the writing.

The "Imperial" Typewriter is now becoming known as the most up-to-date and convenient machine on the market; the construction of this machine is extremely simple, having fewer parts to get out of order than almost any other. It is very strong and yet not bulky.

Of all typewriters the "Imperial" is the easiest to clean and oil, owing to the fact that the whole of the inside can be removed and got at by the operation of three levers.

Interchangeable Type and Keyboard.

One of the biggest features of the "Imperial" is its interchangeable type and keyboard. By a simple movement, the complete keyboard and type can be removed, and a different language or different style of type fitted. If you change the language you must change the keyboard to correspond. The "Imperial" is the *only* typewriter with this important feature.

Stencil Cutter.

Underneath the key-levers is the Ribbon Cut-out, which throws the ribbon out of action, and enables the type-bars to strike right on to the wax stencil sheet.

Cheque Writing Attachment.

Special pin-point type can be supplied for writing cheques and documents. This device is absolutely indispensable. The pin-points prick the ink right through the paper, preventing fraudulent alteration.

Federated Malay States

Straits Settlements

Kedah

Kelantan

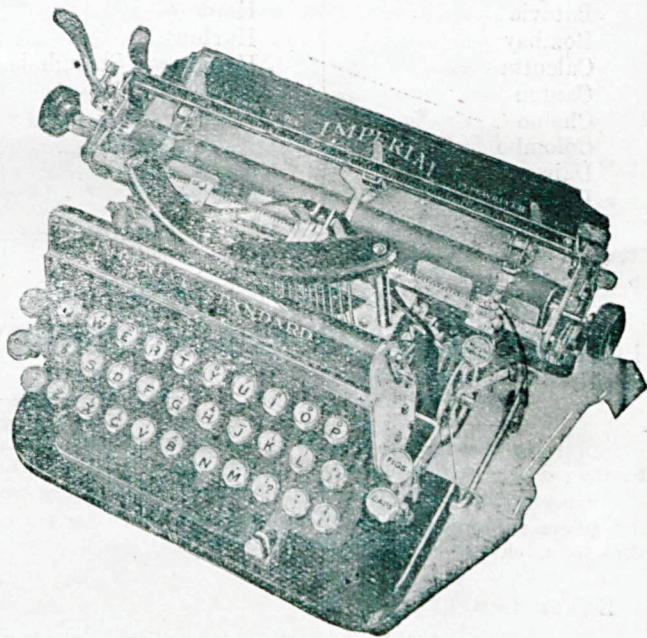

Trengganu

British North Borneo

Sarawak

Siam

Johore.

If you choose a typewriter by its performance you will choose the British made "Imperial."

Remember—it has every feature demanded by the hardest commercial work also it has other features possessed by no other typewriter.

See all the best foreign-made machines first. Then see the "Imperial." Compare on a work-for-work, value-for-value basis.

This will commit you to nothing. For your own sake—for the sake of British industry—let us prove what we say.
