OBJECTS AND REASONS.

This Bill repeals and re-enacts the Opium and Chandu Enactment, 1910, with the various amendments made since that date. It has been assimilated as regards appointment of officers, powers of search and seizure and the term of imprisonment for non-payment of fine to the Customs and Excise Enactments of 1923.

Clause 8 of the Bill provides for the establishment of Government retail and smoking shops, a measure intended to strengthen Government control.

The definition of and references to a "corresponding law" are intended to increase the power of the authorities to deal with organised smuggling.

No. 5146.—SANITARY BOARD, SEREMBAN.—

Minutes of a Sanitary Board meeting held on the 14th July, 1925, at 10 a.m.

PRESENT: *Chairman*, Sanitary Board (Mr. H. H. Banks), Superintendent, Revenue Surveys (Mr. T. Kitching), Protector of Chinese (Mr. J. A. Black), Executive Engineer (Mr. C. J. Parker), the Hon'ble Mr. Wong Yick Tong, M.F.C., J.P., Mr. F. Dale Rees, Mr. Cheah Soon Moh, Tengku Hassan, J.P., and Mr. P. P'Chient, J.P.

ABSENT: Collector of Land Revenue (Mr. E. B. Williams), Chief Police Officer (Mr. G. S. Magill), Health Officer (Dr. R. B. Jackson), and Mr. W. H. W. Gubbins.

Minutes of the previous meeting confirmed, copy having been circulated amongst members.

BUSINESS.

1. The Board considered the advisability of adopting a new additional by-law 9A to read as follows, "The Board may furnish plans of buildings of a simple type to persons desirous of building on payment of such fee not exceeding \$10 as may be approved by the Chairman." The Board were unanimously in favour.

2. Papers dealing with grounds for the use of circus, bangsawan and other performances were laid before the Board. A minute from Collector of Land Revenue was read regarding the suggested area in Lemon Street. The Board agreed that it was hardly worth while taking further action regarding this site, but were of opinion that a suitable and permanent site should be selected in the vicinity of the town. The Chairman informed the members that this matter would be considered by the Town Planning Committee. The Board had no objection to the erection of tents for operatic performances only on that portion of the Padang between the Tamil Temple and Birch Road pending the selection of a more suitable site elsewhere.

3. The Board considered applications from K. Vettivaloo and others, of Bukit Binjai, asking that water-rate of their houses at Bukit Binjai be fixed at \$2.50 per mensem as in the Temiang Road area. The Chairman explained that Binjai is now included in an area under section 51A and recommended that water-rates at Binjai be on the same basis as Temiang. The Board decided to recommend accordingly.

4. Chairman informed the members that at his request the P.W.D. had reported on certain shop-houses in Pajam village with the result that eight houses had been condemned as dangerous. Notices requiring demolition had been issued. The Board concurred with the action taken.

5. Papers dealing with sites on State land for visible petrol fillers in Seremban were laid before the Board. The Chairman reported that he and Collector of Land Revenue had together investigated possible sites. The following being suggested: (1) Birch Road near Power Station; (2) Birch Road behind the present motor-car stand (facing Central Police Station); (3) Carew Street on vacant town lot adjoining house No. 7, lot No. 1,498. (This filler would be conveniently situated for the European population.) After discussion the Board decided to submit the matter together with draft form of tender to the Hon'ble the British Resident for approval.

6. The Board considered an application from Su Tu Chong and others who are permitted to sell vegetables within the precincts of the Seremban Market: (1) asking that the hours during which vegetables might be sold may not be restricted; (2) to put up stalls for the sale of their vegetables. The Chairman informed the members that the approved hours were from 6 to 10 a.m. and 2 to 6 p.m. The Board after discussion were unable to approve any change in the hour and were not prepared to grant permission for the erection of stalls.

7. Papers dealing with provision of rickshaw and car-stands in the centre of Birch Road were laid before the Board for any comment the members might wish to make. The general opinion was that these stands had been a success and it was suggested that they may be further extended in front of the Seremban Market. The Chairman informed the Board that extra notice-boards were available for this extension. The Executive Engineer stated that steps would now be taken to replace the empty barrels which had been used temporarily with small cement blocks.

8. The question of a site for the Government toddy-shop in Seremban town came up for consideration. The Chairman informed the Board that it had been suggested that a small portion of the Seremban abattoirs facing Lemon Street might be utilized for this purpose and that he had no objection to this being done. The Board approved.

The following plans passed by the Plan Committee were laid on the table :

One plan of shop-house;

„ „ bungalow;

„ „ latrine;

„ „ cycle shed for Anglo-Chinese School, Seremban ;

Four plans of additions and alterations.

The Health Officer's returns of births and deaths for the months of April and May, 1925, were laid on the table.

One hundred and eighteen notices and twenty-three prosecutions were approved.

Board remits burial fees on twelve paupers who had died in the Seremban Convent and been buried in the Roman Catholic cemetery.

The Board adjourns *sine die*.

IN ATTENDANCE: Mr. W. F. Lamonby, O.C.P.D., Klang.

ABSENT: The Harbour Master (Lt.-Comm. R. C. Hayes, O.B.E., R.N.), the Assistant Commissioner of Police (Mr. J. D. Hussey), and Mr. Kow Tiam Chuan.

1. Arising out of the minutes of the previous meeting :

(ii) Deviation of Rembau Street: The Engineer informs the Board that the work is in hand and that it would be completed in three months' time. Mr. Graham-Brown asks that a vigorous protest against the present condition of that part of Rembau Street be recorded. The Executive Engineer undertakes to patch this at once.

(iii) Sub-committee report on drains in Port Swettenham: Items 3 and 5: The Executive Engineer promises to attend to these items at once.

(iv) Disposal of night-soil in Port Swettenham: The Chairman informs the Board that he is reporting the recommendation of this Board with a view to obtaining a special vote.

(v) Yamato's vegetable gas-lighting plant: The Health Officer's report is read. The members comment favourably on the cheap method of lighting and cooking.

2. It is decided to fix the rest-house daily charges at \$3 per head irrespective of the number of persons and to increase the charge for tiffin to \$1.25 and afternoon tea to 35 cents per head.

3. New site for Christian cemetery in Bukit Kuda Road is approved. The Medical Officer raises the question of a new site for a hospital cemetery. The Chairman promises to look into this as well as a new site for a Malay cemetery.

4. The proposed site for electric power station in Harper Street is approved by the Board.

5. Tan Tiam's application to store rubber in Bukit Kuda Road: It is decided to refuse the application as he has no licence to purchase and also no uncouped rubber.

6. Batu Blah Drainage Scheme: The Board approves bringing this area within the Klang Sanitary Board and applying section 13A of the Sanitary Board Enactment. It is proposed to levy a rate of \$1 an acre for the special purpose of maintenance of these drains, the work to be carried out with anti-malarial money.

7. Storage of dangerous petroleum in bulk: Application from Messrs. A. C. Harper & Co. on behalf of Messrs. the Asiatic Petroleum Coy., to amend rule 23 of the Petroleum Enactment so as to allow 32,000 gallons being stored in one compartment. The Executive Engineer states that provided the bund round is high enough and encloses sufficient area to contain the oil there seems to be no objection to the alteration of the rule. The Board approves subject to the provision of a proper bund and sufficient capacity within the bund to hold all the liquid stored.

8. Decided to enforce the ruling to have all stalls removed from the street between the hours of 8 a.m. to 9 a.m.

9. Decided to refuse applications for private water supplies to Meru Village owing to there being no concrete drains. The Executive Engineer informs the Board that there are three dipper fountains in the village.

11. Dr. Ansley-Young raises the question of the water supply and comments on the condition of the water at the stand pipe at Batu Tiga Road, near Mr. C. L. Chapman's house, which is full of vegetable matter. The members in general complain of the amount of sediment in the water. The Executive Engineer replies that the stand pipe referred to is at a blind end of the main and that the new reservoirs have no filter beds. A suggestion is made that a precipitant be tried and the Board agrees, the Executive Engineer having no objection to a trial.

12. Islands at Rembau Street and street corners: The Executive Engineer promises to have these completed within two months.

13. Dr. Ansley-Young refers to the dust nuisance along Jalan Raia. The Executive Engineer states he is having this road surface-tarred this year. The Chairman reports that the water-cart has rusted through and cannot be used but is being repaired.

14. Dr. Ansley-Young brings to the notice of the Board the unsatisfactory traffic control by the policemen employed on duty at the islands. The Board decides to ask the Assistant Commissioner of Police for trained men to carry out these duties.
