SUPREME COURT, IPOH,

No. 6469.—SANITARY BOARD, KUALA LUMPUR.—

Minutes of an ordinary meeting of the Sanitary Board, Kuala Lumpur, held in the Board Room at the Sanitary Board Offices on Wednesday, the 19th of August, 1925, at 9.20 a.m.

PRESENT: The *Chairman* (Mr. W. M. Millington, M.C.S.), the Health Officer (Dr. E. H. Black), the Executive Engineer, Town (Mr. W. J. Smith), the Chief Police Officer (Mr. A. C. M. Wall), the Protector of Chinese (Mr. A. B. Jordan, M.C.S.), the Collector of Land Revenue (Mr. G. A. de C. de Moubray, M.C.S.), Mr. J. L. Sime, Mr. Khoo Keng Hooi, J.P., Mr. Loke Chow Thye, J.P., Mr. Yap Tai Chi, J.P., Mr. H. B. Talalla, Dr. E. T. MacIntyre, J.P., Raja Uda.

ABSENT: Mr. M. Cumarasamy.

IN ATTENDANCE: The Acting Secretary (Mr. P. M. Carrier), representatives of the Press.

1. Minutes: The minutes of the previous meeting, having been circulated, are taken as read and confirmed subject to the Secretary to Resident's reply in his letter No. 6 in Sel. 2310/25 dated 14th July, 1925, being added to paragraph 11 of the minutes dated 5th August, 1925, after the words "Secretary to Resident" in line 4, page 6. This addition is considered necessary by the Board as the public should be made aware of the policy of Government on the subject.

2. Notice of motion given by Mr. Talalla at Board meeting held on 5th August, 1925, concerning a sewerage scheme for Kuala Lumpur: Mr. Talalla requests the permission of the Board to amend his motion by the substitution of the following: "The British Resident of Selangor be requested to appoint a committee to advise how and when a sewerage system can best be installed in Kuala Lumpur and what its cost would be. If a system is to be installed, in what part of Kuala Lumpur should the first instalment be put in hand." Mr. Khoo Keng Hooi seconds the motion and, on being put to the meeting, it is carried.

3. Proposed agreement with the owners of lots 80 and 83, Kuala Lumpur, for issue of temporary occupation licence annually for ten years: The Chairman informs the Board that this is in connection with the acquisition of a back lane along the Brickfields Road at the back of lots 63 to 77, section 72, and that negotiations by the Town Planning Administrator have been in progress for a considerable time. The lane at back of lots 161 to 163 has already been acquired and the present acquisition is for a back lane behind lots 77, 78 and 79. The Town Planning Administrator has made certain proposals to which the owners of lots 77, 78, 79, 80 and 83 have agreed and are willing to enter into an agreement, viz.:

- Owners of lots 77, 78 and 79 will acquire that portion of lots 83 and 80 coloured green at the valuation made by the Valuer-General.
- The owners of lots 80 and 83 will sell to the owners of lots 77, 78 and 79 the area coloured green as above.
- The owners of lots 80 and 83 will surrender free of charge the land coloured yellow between the two parallel red lines, provided that the existing houses which are now erected on this area, which is to be surrendered, are allowed to remain for a period of ten years.
- All surveys to be carried out free of charge.

The British Resident has said that an agreement such as indicated in (c) cannot be made without reference to the Sanitary Board. The Board agrees on the condition that, so long as the houses on lots 80 and 83 stand, the existing back lane will be available for use as a back lane and that the Sanitary Board by-laws will be observed.

4. Scheme for providing a water system for Government houses in Kia Peng Road area: The Chairman states that a scheme is being put up for a sewage system for five Government quarters in Kia Peng Road and two more ultimately, and the Resident has asked for the views of the Board. The Health Officer has been consulted on health grounds. He details the scheme as outlined in a memorandum submitted by the State Engineer to him in his minute of 22nd July, 1925. Mr. Khoo Keng Hooi does not recommend the passing of the scheme until the whole water question is settled. He understands that if there is a prolonged drought in Kuala Lumpur the water supply is likely to be threatened and for this reason he thinks that the scheme should be deferred. Following a discussion as to the quantity of water required Mr. Sime proposes that the scheme be passed in the belief that no more water will be used than is used under existing methods. Mr. Talalla seconds and this is carried—Mr. Khoo Keng Hooi not voting.

5. Alternative site plan for storage of dangerous petroleum at the Posts and Telegraphs Stores: The Chairman says that necessary details have not yet been supplied. It is agreed to postpone consideration until the next meeting.

6. Site plan for the erection of railway quarters on Petaling Hill: The Chairman points out to the Board that he has been negotiating with the Railway authorities on the question of the type of building it is proposed to build and was going to ask the Board to examine plans of the building proposed but the Secretary to Resident has informed him that the allotment of the site is approved. The Board notes that the site has been approved, but is of opinion that the plans of the buildings submitted are not suitable for the site as the buildings proposed are in the Board's opinion inferior to the Class II quarters on Petaling Hill.

7. Appointment of trustees to have charge of the Muhammadan cemetery, Ampang Road, Kuala Lumpur: The Chairman states that the rules made by the Resident of Selangor, *vide Gazette Notification No. 30 of 15th January, 1915*, under section 10 of "The Burials Enactment, 1910," provide that such trustees shall be appointed by the Sanitary Board subject to the approval of the Resident and that Haji Ahmat bin Haji Mohamed Taib and Haji Daud bin Haji Osman who, he thinks, are known to Raja Uda have been selected to act as such. The Board approves of their appointment as trustees.

8. Application by the British American Tobacco Co. to erect a glass flashing sign on the corner above M. S. Ally & Co.: The Board approves the application.

9. Application by Rev. B. C. Roberts for the free use of the Town Hall for a concert on 26th August, 1925, in aid of church funds: The Board approves the application.

10. Further report on outbreak of rabies: The Chairman informs the meeting that the Senior Medical Officer reports that a case of rabies has occurred in a dog belonging to Mr. K. George, of Batu Road, kept under observation at the Animal Infirmary, Kuala Lumpur. One contact dog has been destroyed and other dogs kept in the vicinity are being vaccinated.

11. Reply to Mr. Khoo Keng Hooi's question on the extension of the Sanitary Board boundary towards Salak South: It is decided to postpone reply to the question pending verification of the extension by the Collector of Land Revenue.

12. Licensing of vegetable gardeners to sell their products at Foch Avenue at the river end: The Board is notified of the possible site north of the Rubber Godowns in Rodger Street and approves a proposal to issue hawker's badge to genuine vegetable gardeners on payment of the usual fee with conditions as to time of selling. On the recommendation of Mr. Khoo Keng Hooi it is decided that, in order to prevent the issue of badges to persons other than the class for whom it is intended, the Inspector of the Agricultural Department might be asked to go round and select the people who should receive these licences.

13. Application to use a shop-house in Batu Road near junction of Pahang Road as a market: The Chairman reminds the Board of its previous resolution made at the meeting on 4th June, 1924, wherein it was resolved not to entertain such applications in future. The application now under consideration is supported by the present Health Officer and Chairman.

The Health Officer: I strongly support the applicant and think that facilities to obtain provisions is a most important step towards relief of overcrowding.

Mr. Khoo Keng Hooi: So long as the shops conform to our by-laws in observing cleanliness and other matters relating to health I am in favour of the application. Mr. Loke Chow Thye supports Mr. Khoo Keng Hooi. The Board is in favour of such applications being entertained provided that proper supervision can be given.

14. Traffic opposite the Borneo Co.'s Office at foot of Weld Hill: The Executive Engineer, Town, describes the nature of the obstructions and observes that he called the Officer in Charge of Police District's attention to the matter. It is decided to leave the matter to the Police.

15. Overcrowding in Petaling Street, Kuala Lumpur: The Chairman lays on the table the detailed figures as furnished by the Health Officer for the information of the Board. Mr. Talalla thanks Dr. Black for the work he has accomplished. He considers that the figures given are bad enough but thinks that if a census were taken after 1 a.m. the result would be appalling. After further criticism he enquires why Government cannot provide cheap and suitable houses as a relief. Mr. Khoo Keng Hooi suggests that the report of the Health Officer be circulated to the members.

16. Charge for conservancy: A discussion on the question is postponed for the next meeting.

17. Returns: The following returns are laid on the table for the information of the members:

- (a) Revenue and expenditure returns for July;
- (b) Comparative statement of Vehicles Revenue for July;
- (c) Registrar of Vehicles' return of prosecutions for July;
- (d) Chief Sanitary Inspector's return of prosecutions for July;
- (e) Notification of malaria for July;
- (f) Water consumption return for July:

The average daily consumption was 3,407,483 27/31 gallons.

Plans: The following plans are passed:

- Sanitary installation and septic tank, 16, Kia Peng Road;
- Ten pavilions, Hokkien cemetery, lot 273, section 69;
- Residence, lots 14, 93 and 94, Treacher Road;
- Additions and alterations, 45, Malay Street;
- Tin-ore drying shed, coolie lines, etc., lot 43, section 22, 2½ mile, Sungei Besi Road;
- Cubicles to two shops, 26 and 27, Main Street, Ampang.

GENERAL.

1. Mr. Khoo Keng Hooi gives notice of the following questions:

- (1) What is the total acreage held under mining leases in the Kuala Lumpur Sanitary Board area?
- (2) What has been the average annual assessment collected on such land during the past three years?
- (3) What acreage of agricultural land in the Kuala Lumpur Sanitary Board area has been converted under mining leases during the same period, and what has been the assessment collected on the areas so converted?
- (4) Has the Board been consulted on such conversions?

2. Mr. Loke Chow Thye gives notice of the following questions:

- (1) How many dwelling or shop houses within Sanitary Board area have been reported vacant during this year? If there are none and only a few is it not time that steps be taken by Government to consider means to allocate areas for cheap houses for the poor in view of the fact that certain areas in Petaling and Sultan Streets are extremely congested as reported by the Health Officer? I move that until such houses are provided no action should be taken to order people out of the existing houses in order to avoid overcrowding.

3. Raja Uda gives notice of the following questions:

- (1) Has any decision been arrived at with regard to the lighting of Hale Road (Kampung Bharu)? If so, what is the decision?
- (2) When is the new electrical power station likely to be completed?

4. Mr. Talalla reports that he is leaving for England shortly and will consequently be unable to act as the nominee of the Sanitary Board on the Town Planning Committee until his return.

5. Mr. Khoo Keng Hooi tenders good wishes, in which the other members concur, to Mr. Talalla in connection with his forthcoming visit to England.

The meeting adjourns at 11.40 a.m.

Confirmed on 2nd September, 1925.

3. Site for new Police Courts, Kuala Lumpur: The Acting Government Town Planner informs the Board that various sites have been considered and that in his opinion it is not possible to find a more suitable site in Kuala Lumpur. The Board approves the site.

4. Notice by Mr. Sinnakanu (the lessee) terminating his agreement for the lease of the dairy at Rifle Range Road: The Chairman reports to the Board that the lessee has given three months' notice to terminate his agreement. The Board suggests that fresh tenders be invited for a three years' lease with the same conditions as before.

5. To consider the reduction of assessment on lots 54 and 58, section 55, the site of the Sri Kandaswamy Temple: The Chairman reports application from the Honorary Secretary of the Temple and explains that section 14 of the Sanitary Boards Enactment 13 of 1916 exempts houses and buildings used exclusively as places of religious worship, but not land. 8. Proposal to lease the P.W.D. explosives magazine on Petaling Hill to the Standard Oil Co. of New York for six months: The Board agrees to the proposal.

9. Reply from Government concerning reduction of conservancy charges: The Board is notified that the British Resident considers that it is best not to make any change at present. Mr. Khoo Keng Hooi gives notice that he will propose that the cost of this service should be cheapened as it is closely connected with the question of cheap housing and that any loss on this service should be met from the rates. The Chairman states that every effort will be made to reduce the cost of the service.

10. Consideration of Health Officer's report on overcrowding in Petaling Street: The Health Officer draws attention to his memo which is on the table and points out that people cannot be made to live in the suburbs but may be attracted if amenities are provided. It is agreed that the Health Officer's memo be forwarded to Government with a view to the preparation of a pamphlet for publication.

Replies to Questions—

1. Reply to question asked by Mr. Khoo Keng Hooi at the Board meeting on 19th August, 1925 :

Q.—(1) What is the total acreage held under mining leases in the Kuala Lumpur Sanitary Board area?

A.—(1) 950 acres.

Q.—(2) What has been the average annual assessment collected on such land during the past three years?

A.—(2) Nil.

Q.—(3) What acreage of agricultural land in the Kuala Lumpur Sanitary Board area has been converted under mining leases during the same period, and what has been the assessment collected on the areas so converted?

A.—(3) Part I: Collector of Land Revenue states nil. Part II: It follows, nil.

Q.—(4) Has the Board been consulted on such conversions?

A.—(4) There have been no conversions and consequently the Board has not been consulted.

Mr. Khoo Keng Hooi gives notice of the following further question: Will the Chairman quote authority exempting mining land from Sanitary Board assessment?

2. Reply to question asked by Mr. Khoo Keng Hooi at the Board meeting on 15th July, 1925 :

Q.—Will the Chairman state the reason why the Board was not consulted on the extension of the Sanitary Board area towards Salak South in the year 1923?

A.—While the statutory function of the Boards is limited to the administration of areas that have been declared to be Sanitary Board areas, the Government, nevertheless, recognises that the views of the Boards concerned may, where extensions of boundaries are contemplated, advantageously be recorded.

And that Boards are, as a matter of common practice, consulted on such matters, though it appears that, in the case instanced, the recommendations of the officer officiating as Chairman were, for no recorded reason, made without discussion in the Board Room.

Mr. Khoo Keng Hooi remarks that it is possible that a similar mistake might occur again and therefore proposes that the section be amended to provide that the Sanitary Board shall be consulted. Mr. Yap Tai Chi seconds and this is carried.

3. Reply to question asked by Mr. Loke Chow Thye at the Board meeting on 19th August, 1925 :

Q.—(1) How many dwelling or shop houses within Sanitary Board area have been reported vacant during this year?

Q.—(2) If there are none or only a few is it not time that steps be taken by Government to consider means to allocate areas for cheap houses for the poor in view of the fact that certain areas in Petaling and Sultan Streets are extremely congested as reported by the Health Officer?

A.—(2) A letter regarding the Government's policy as to cheap housing was read at the meeting on 5th August, 1925.

4. Reply to question asked by Raja Uda at the Board meeting on 19th August, 1925 :

Q.—(1) Has any decision been arrived at with regard to the lighting of Hale Road (Kampong Bharu)? If so, what is the decision?

A.—(1) The matter is being referred to the Hon. Secretary, Malay Settlement.

Q.—(2) When is the new electrical power station likely to be completed?

A.—(2) The matter is being referred to the Secretary, Electrical Board.

5. Reply to question asked by Mr. Khoo Keng Hooi at the Board meeting on 1st July, 1925 :

Q.—Have any areas been earmarked for eventual inclusion in the draft town plan for: (i) open spaces (including parks), (ii) markets, (iii) parking spaces for cars?

A.—Provision is being made for (i), (ii) and (iii) as required from time to time when the details of a scheme are worked out.

PRESENT: The *Chairman* (Major F. W. Douglas, M.C.S.), the Health Officer, Coast (Dr. M. J. Graham, M.M.S.), the Medical Officer, Coast (Dr. J. G. Castellain, M.M.S.), Dr. W. Ansley-Young, and Messrs. H. A. Wootton, J.P., C. Graham-Brown, Lim Hin Kiong, Kow Tiam Chuan and K. A. Vaner.

3. Suggested new by-law to prevent:
 - (a) Fixing of door or covers of refuse bins, etc.
 - (b) The removal of contents by unauthorized person.

The Board is not in favour of the proposed by-law and consider that a system of constant and rapid removal of refuse, with each house having its own covered bin a better method. Elimination of dust-bins from the streets should be aimed at.

4. Site for dairies and cattle-sheds: The Chairman reports that he has not been able as yet to secure a site and the Board decides to extend the present licences of the dairies in Simpang Lima to the end of the year.

"The sub-committee after considering the Sanitary Board revenue and expenditure return recommend that the rate be not altered."

- (2) "The sub-committee further wish to point out that if the items of revenue and expenditure which it is proposed to transfer to the Kuala Lumpur Municipality are similarly transferred here, then the Klang Sanitary Board is already paying its way. The sub-committee wish to draw the attention to a minute by the Hon'ble the Chief Secretary to Government in S.R. Sel. 5192/22 where a balance sheet was put up in 1923."

"... the Board might be able to make a working balance sheet and might in that case ask for control over its revenue and expenditure, I would ask the Board to consider whether it would not aim at a measure of independence which apparently is still beyond the reach of other Sanitary Boards in the Federated Malay States."

- (3) "The sub-committee suggest that the Board might ask Government to appoint a committee to scrutinize these figures with a view of obtaining a greater measure of independence."

The Board adopts the report of the sub-committee and resolves to ask the Government to appoint a committee of inquiry.

8. Mr. Wootton asks for permission for the use of the Board Room for a meeting of the unofficals on Saturday afternoon, the 19th September, 1925, to discuss the important questions of: (1) Electric light; (2) Improvement of water supply; (3) Municipalization. Agreed.
