C. W. H. COCHRANE,
Under Secretary, F.M.S.

No. 7505.—With reference to Notification No. 473 published in the *Gazette* of 11th February, 1921, the following Rules of Summary Procedure of the Anglo-German Mixed Arbitral Tribunal constituted under Article 304 of the Treaty of Versailles together with Amendments of the Rules of Procedure of the Anglo-German Mixed Arbitral Tribunal (Statutory Rules and Orders 1920 No. 2062) constituted under Article 304 of the Treaty of Versailles are published for general information:

RULES OF SUMMARY PROCEDURE OF THE ANGLO-GERMAN MIXED
ARBITRAL TRIBUNAL CONSTITUTED UNDER ARTICLE 304 OF
THE TREATY OF VERSAILLES.

A. In any claim or case presented to the Tribunal written notice may be given to the Secretariat by either Government Agent or any party that he desires the claim or case to be dealt with under the Tribunal's Rules of Summary Procedure. Such notice is hereinafter referred to as a Summary Notice.

In the case of Joint Claimants or Respondents or joint Creditors or Debtors a Summary Notice given by one of them will be deemed sufficient.

B. A Summary Notice may be given at any stage of the proceedings, but shall not be given after the respective Government Agents and the parties have received notice of the fixing of a date of hearing.

C. When a Summary Notice shall have been delivered to the Tribunal the Secretariat will forthwith cause a notification thereof to be forwarded to the Government Agent of each party. Such Government Agent shall acknowledge the receipt thereof to the Secretariat, and shall effect service of the Notice on the party referred to, and shall forthwith notify the Tribunal of such service and of the date thereof.

D. When a Summary Notice shall have been given any party or either Government Agent may within 21 days of the notification to him of the Summary Notice, forward to the Tribunal an objection in writing stating that he objects to the claim or case being dealt with under the Rules of Summary Procedure and the grounds of his objection.

E. When a new party has been joined in the proceedings after a Summary Notice has been given, the Secretariat will forthwith cause a notification of such Summary Notice to be forwarded to the new party in accordance with Rule C at his address for service or through his Government Agent. Such new party shall have the right within 21 days of the notification to him of the Summary Notice to forward to the Secretariat an objection in writing stating that he objects to the claim or case being dealt with under the Rules of Summary Procedure and the grounds of his objection.

F. In a case under paragraph 16 of the Annex to Article 296 of the Treaty, the Tribunal will on receipt of notice of objection in accordance with Rule D or E, consider the grounds of objection and determine whether the case shall be dealt with under the Rules of Summary Procedure. In any other claim or case the receipt of notice of objection in accordance with Rule D or E shall be sufficient to prevent the application to the claim or case of the Rules of Summary Procedure.

G. If notice of objection is not forwarded to the Tribunal in accordance with Rule D or E or in a case under paragraph 16 of the Annex to Article 296 of the Treaty, if the Tribunal so determine under Rule F, the claim or case and all proceedings shall be subject to the following special Rules of Procedure.

H. In any claim or case subject to the Rules of Summary Procedure the parties shall deliver written proceedings in accordance with the Ordinary Rules of the Tribunal except as varied by the Rules of Summary Procedure. The written proceedings must include:

- (a) all material facts;
- (b) all documents and other evidence on which the parties rely;
- (c) any reasoned arguments or legal contentions which the parties wish to submit to the Tribunal.

All written proceedings and other documents shall be presented to the Tribunal in seven copies. All documents not in English shall be accompanied by a translation in English in seven copies.

I. If in any claim or case not already subject to the Rules of Summary Procedure a Summary Notice shall be served after delivery of any written proceedings in the claim or case, either Government Agent or any party who wishes to deliver any statement of facts, or a reasoned argument in writing, or any written evidence, shall be at liberty to do so within 30 days of the receipt of the Summary Notice or within the time limited for any Response, Reply or Rejoinder which he may be entitled to deliver under the Ordinary Rules of the Tribunal. If either Government Agent or any party wishes to deliver any further statement of facts, evidence or reasoned argument he shall only be at liberty to do so by leave of the Tribunal.

K. The Tribunal may in any particular claim or case at the request of both parties direct that written proceedings shall not be delivered and determine the claim or case upon the documents, evidence or other material filed with or in the possession of the Clearing Offices.

L. The Secretariat will give notice to the respective Government Agents and parties when the claim or case has been entered in the list of cases ready for decision.

M. After the expiration of the periods of time provided for delivery of written proceedings or for any application to the Tribunal, the Tribunal will, without further notice consider and determine the claim or case on the written proceedings and documentary evidence which shall have been delivered without hearing the parties or calling evidence, unless the Tribunal for any reason decide otherwise.

N. The Tribunal may of its own motion in any claim or case at any stage of the proceedings require evidence or information on any point, or determine that evidence shall be taken on commission, or that the parties shall give evidence orally before the Tribunal, or that the Government Agents or the parties shall be permitted to call witnesses and either by themselves or by counsel or other recognised advocate present their claim or case.

O. The Ordinary Rules of Procedure of the Tribunal shall equally apply to all claims and cases which are subject to the Rules of Summary Procedure except in so far as the Ordinary Rules are expressly or by necessary implication excluded or varied by the Rules of Summary Procedure.

P. The Tribunal may of its own motion at any stage of the proceedings determine that any claim or case shall not be subject to the Rules of Summary Procedure, and thereafter such claim or case shall be dealt with as though a Summary Notice had not been given.

AMENDMENTS OF THE RULES OF PROCEDURE OF THE ANGLO-GERMAN
MIXED ARBITRAL TRIBUNAL (STATUTORY RULES AND ORDERS,
1920, No. 2062) CONSTITUTED UNDER ARTICLE 304 OF THE
TREATY OF VERSAILLES.

1. In Rule 1, after the words "the time within which claims are to be submitted to the Tribunal shall be as follows" insert:

- (a) within four months of the date of notification to the Creditor Clearing Office of final rejection of a claim in accordance with Articles 4 and 5 of the Agreement of 13th September, 1924, between the British Government and the German Government, or in case such notification has been given before the date of publication of these amended rules within four months from last mentioned date.

2. The present letters *a*, *b*, *c* and *d* of Rule 1 shall become letters *b*, *c*, *d* and *e* respectively.

3. At the end of Rule 1 insert :

Such leave shall not be granted in any case coming within clause (a) of this Rule unless on an application made in that behalf within six months from the expiration of the prescribed period of four months the Tribunal is satisfied that the failure to lodge the claim within that period arose from circumstances in respect of which the creditor cannot justly be held responsible.

4. At the end of Rule 21 (b) insert :

(c) The Memorial, Response and all other documents forming part of the written proceedings and all communications addressed to the Tribunal shall be dated with the date on which they are despatched to the Secretariat.

5. In Rule 22 (3), "Cases under Article 296, Annex, paragraph 16", at the beginning of line 10 before the words "the limitations of time", etc., insert "Save as provided by Rule 1 clause (a)".

6. At the end of Rule 40 insert :

(a) within six calendar months from the date of the delivery of the copies of a judgment to the Government Agents, any party may deliver to the Tribunal a demand for the revision of the judgment on the ground of the discovery of evidence referring to allegations made by him before the judgment which, if known to the Tribunal when the cause was before it previously, would have exercised a decisive effect upon its judgment and which could not by the exercise of reasonable diligence have been then produced by such party. If the Tribunal thinks that a *prima facie* case for revision is disclosed in the demand, it will cause notice thereof to be given to the other parties concerned of the place and time when the Tribunal will hear the parties and decide upon the demand for revision. If the Tribunal decides in favour of revision, it will give such directions with regard thereto as may be necessary.

- Amendment of by-law 180: Arising out of a suggestion submitted by the Larut and Matang Sanitary Board the Chairman proposed that the existing by-law 180 be amended to read as follows:

"The occupier of every house to which the Board may have applied the provisions of this by-law by public notice or by notice in writing to the occupier shall daily, at such time or times as may be fixed and notified by the Board, place the dust-bin provided for use in connection with his house, on the edge of the arcade or verandah or five-foot way of such house, or, if the house is situated in a garden or compound, at the entrance to such garden or compound, and shall not remove or permit the removal of such dust-bin until it has been emptied by the servants of the Board."

The above having been circulated and accepted by all the other Boards in Perak the Chairman asks that the same be formally passed by the Kinta Sanitary Board. The amended by-law is passed.

- Premises Nos. 41 to 59, Jalan Gopeng, Kampar: A petition from the occupants of the houses referred to is read asking that the notices to demolish within a period of three months, which expire at the end of October, 1925, be extended for a further term of six months. 7. * * * * *

- Condition of drains in Ipoh having outlets into the Kinta River: The Chairman brings to notice the unsatisfactory condition of the drain in Kenion Street near the pork market where the invert is lower than the sand in the river. In Leech Street, Market Cross and Jalan Dato the fall is controlled by the height of the water in the river. The Chairman states that he brings these matters forward for record as in the opinion of the Executive Engineer nothing can be done until the river problem is solved.

- Committee to consider 1926 assessment appeals: The Board appoints the following: The Chairman, the Chief Assistant District Officer and Messrs. A. N. Kenion, J. A. S. Jennings and Lau Ek Ching.

- Position of five electric standards, Ipoh, to replace present oil lamps: The tracings showing proposed positions submitted by the Electrical Engineer are approved.

11. Impending retirement of the Secretary, Mr. W. J. B. Ashby: The Chairman informs the meeting that the resolution of the Board passed at the August meeting has not been approved. As the decision that Mr. Ashby should retire when he reaches the age of 55 would appear to have been made by the Acting Under Secretary to Government, Mr. J. A. S. Jennings proposes, and Mr. Lau Ek Ching seconds, a motion to the effect that the Board's resolution of 19th August, 1925, be brought to the notice of the Chief Secretary to Government supported by the Chairman's strong recommendation with a request for reconsideration. Carried by the unanimous vote of those voting.

12. Status of appointment of Chairman of the Board: The Chairman states that the resolution of the Board passed at the April meeting has not been approved. The Hon. Mr. J. H. Rich proposes, and Mr. A. N. Kenion seconds, the following resolution:

"That this Board notes with regret and dissatisfaction the decision of the Government not to raise the status of the appointment of Chairman of the Kinta Sanitary Board. This Board feels compelled to ask for reconsideration and is prepared, if necessary, to adduce reasons to substantiate the importance of the appointment."

Carried unanimously.

No. 7784.—SANITARY BOARD, KLANG.—

Minutes of meeting of the Klang Sanitary Board held on 12th November, 1925.

PRESENT: The Chairman (Mr. R. Crichton), the Health Officer (Dr. W. J. Vickers, acting), the Senior Executive Engineer (Mr. W. H. Morgan), the Medical Officer (Dr. J. G. Castellain), the Assistant Commissioner of Police (Mr. J. D. Hussey), Dato Stia di Raja (Inche Abdul Razak, J.P., I.S.O.), Messrs. C. G. Brown, H. A. Wootton, Lim Hin Kiong and K. A. Vaner.

ABSENT: The Harbour Master (Lt.-Comm. J. T. B. Notley, R.N.), Dr. W. Ansley-Young and Mr. Kow Tiam Chuan.

1. Mr. Vaner offers the welcome of the unofficial members of the Board to the new Chairman, Mr. R. Crichton. The minutes of the last Board meeting held on 13th October, having been printed and circulated, are taken as read with the following corrigendum:

The record of the last paragraph of clause 4 is amended by the substitution of the words "quite impossible" for the words "scarcely possible."

2. Mr. Vaner states that he thought the Board resolved to insist on septic tanks for bungalows costing \$5,000 or more and not \$2,000. The Board confirms the figure of \$2,000.

3. Septic tanks for bungalows costing \$2,000 or more will be required to be shewn on plans which otherwise will not be tanks.

4. It is decided to refuse new water supplies at Jeram, owing to insufficient pressure, for the present, until the new scheme is completed.

5. A letter is read from the Secretary to Resident regarding the Klang Sanitary Board balance sheet and it is decided to bring the matter up again at the next meeting.

6. Mr. Graham-Brown and Dr. Ansley-Young are unanimously re-nominated as members of the Town Planning Committee.

7. The Sanitary Board unanimously approves the appointment of a Chief Sanitary Inspector.

8. The Board decides to adhere to its previous recommendation that the water-rate for 1926 be retained at 2 per cent. It considers that 1 per cent. should be written off from capital cost in respect of past years, that 2½ per cent. is ample interest on capital cost, that the 1926 revenue figure \$73,000 should be taken

if the 1926 expenditure figure \$20,000 is taken in estimating profit and loss. The Board realises that it may be necessary to raise the rates applicable to private supplies (a) town and (b) estates. It does not appear that the Board has been given credit in respect of free supplies to hospitals, office latrines, etc.

The Chairman undertakes to submit the opinions of the Board to the Government.

DEPARTMENT OF AGRICULTURE, S.S., F.M.S.

GOVERNMENT EXPERIMENTAL PLANTATION, SERDANG.

Planters and others interested in agriculture are hereby notified that a large scale experimental plantation exists at Serdang in the State of Selangor, F.M.S.

This plantation is situated about 14 miles by road from Kuala Lumpur and $5\frac{1}{2}$ from Sungei Besi Railway Station. It has been started with the object of carrying out experiments with crops other than rubber and coconuts, and at the present time over 100 different crops are under cultivation on either a large or small scale according to their agricultural importance.

In order that the public may become acquainted with the experimental work which is being carried out on the plantation the third Wednesday in each month has been fixed as a "Visitors' Day" when members of the staff will be detailed to show any persons interested in agricultural matters over the plantation and its extensive nurseries.

In certain cases special visits other than on visitors' day may be arranged on application to the Secretary for Agriculture, S.S. and F.M.S., Kuala Lumpur, or to the Agriculturist, Government Plantations, F.M.S., Kuala Lumpur, but in order not to interfere with the work of the staff such visits will necessarily have to be limited, and the public are requested to make use of the fixed visiting days as far as possible.

A hostel on the plantation provides a limited amount of accommodation and, in special cases, arrangements can be made to accommodate visitors on application to the Assistant Agriculturist, Experimental Plantation, Serdang, Sungei Besi P.O. (Telephone No. 4, Kuala Lumpur Exchange.)

Unfailing regularity in the spacing and alignment of the writing.

These three illustrations show the simple method of removing the Type Units. (*Vide Instruction Book.*)
