W. M. MILLINGTON,  
*Chairman, Sanitary Board, Kuala Lumpur.*

**No. 8074.**—Minutes of an ordinary meeting of the Kinta Sanitary Board held on Wednesday, the 25th November, 1925.

**PRESENT:** Mr. A. J. Sturrock, M.C.S. (*Chairman*), the Protector of Chinese, Perak (Mr. A. M. Goodman, M.C.S.), the Health Officer, Kinta (Dr. W. J. Moir, M.M.S.), the Chief Police Officer, Perak (Mr. V. G. Savi), the Datoh Panglima Kinta (Che Wan bin Mohamed Yusof, M.S.C., J.P.), Messrs. A. N. Kenion, J.P., R. P. Brash, J.P., J. A. S. Jennings, J.P., Foo Wha Cheng, Voon Thian Soo, J.P., and Lau Ek Ching.

**ABSENT:** The Chief Assistant District Officer, Kinta (Mr. R. S. Jervoise, M.C.S.), the Executive Engineer, Kinta (Mr. H. S. I. Smail), the Hon. Mr. H. T. Jones, M.F.C., and the Hon. Mr. J. H. Rich, M.F.C.

1. Death of Mr. H. J. Cooper: The Chairman makes reference to the death last month in England of Mr. H. J. Cooper. In the course of his remarks he states that Mr. Cooper came out to the East in 1902 and joined the Board in 1915 of which he was a devoted member. He ungrudgingly worked at various times on sub-committees of the Board and his advice in appraising landed property was of great value. He asked the members to stand to record their sympathy with Mrs. Bealey, the daughter of Mr. Cooper, and his other relatives and that an excerpt of the minutes be forwarded to them. The members standing assented thereto in silence.

2. The Chairman on behalf of the Board conveys congratulations to Mr. Voon Thian Soo on his being appointed a Justice of the Peace for Perak. Mr. Voon Thian Soo suitably replies.

3. Minutes of the October meeting: The Chairman states that the minutes of the October meeting have been circulated and asks whether the Board will now confirm them. Mr. Brash addresses the meeting on the subject of the omission of items 6 and 7 from the original minutes, and proposes the following resolution:

“That the minutes of the last meeting of the Board be not confirmed. That they are not a correct record of the business at that meeting in that two resolutions, the first of which was carried unanimously and the second by an unanimous unofficial vote, have been deleted by or with the concurrence of the Hon. the British Resident of Perak. That the Chairman is requested to communicate to the Hon. the Chief Secretary to Government, Federated Malay States, through the Hon. the British Resident the request of the unofficial members of the Board that the two resolutions referred to be reinstated in the minutes. That this meeting of the Board be adjourned *sine die* pending a reply from the Hon. the Chief Secretary.”

The resolution is seconded by Mr. J. A. S. Jennings and supported by Mr. Foo Wha Cheng. The Chairman reads an explanatory letter from the Secretary to Resident. After some discussion it is decided, with one dissentient, to bring the resolution forward as the final item on the agenda. At this stage Mr. J. A. S. Jennings asks permission to withdraw and leaves the Board Room.

4. Matters laid on the table for the Board's information and approval:

- (a) Returns: Revenue and expenditure, abattoirs, Public Works Department water consumption, Lux lamps, weights and measures and milk analyses under the Sale of Food and Drugs Enactment;
- (b) Thirty-one plans as per register;
- (c) Four hundred and fifty-two notices, one-hundred and eighty applications for prosecutions and three applications for authority under section 11 of “The Sanitary Boards Enactment, 1916.”

5. Ipoh return of births and deaths for October, 1925:

Pulmonary diseases	11	12	10
Bowel diseases	—	4	4

	Inches.	Inches.	Inches.
	6.96	11.64	13.36

6. Fire protection at Tanjong Tualang: A letter, forwarded through the District Officer, Kinta, from a number of the inhabitants of Tanjong Tualang asking for a fire engine and the necessary staff, is read. It is decided to ask for a report and recommendations from the Superintendent, Fire Brigade.

7. Appeals against assessment, 1926: The Board formally approves of the decisions arrived at by the Committee of the Board which met on 18th November, 1925.

8. Control of cigar and cigarette factories within Sanitary Board areas: The Board agrees with the recommendation made by the Larut and Matang Sanitary Board that premises wherein such business is carried on be brought under control and licensed.

9. Closing Orders: The Chairman brings to notice that there is no legislation at present empowering the Board to deal with insanitary dwellings condemned as unfit for human habitation. The Chairman is requested to ask that the committee appointed to deal with the matter be revived, pointing out that legislation is urgently required.

10. Premises Nos. 41 to 59, Jalan Gopeng, Kampar: A letter from the owners is read asking that five out of the ten houses be demolished to commence with and that the remaining five be dealt with only after the erection of five new houses on the site of those demolished at first. The Executive Engineer being unable to alter the view he expressed at the October meeting, the request is refused.

11. Premises Nos. 10, 12 and 14, Main Road, Batu Gajah: The houses being in a ruinous condition and untenanted, the Board, on the recommendation of the Health Officer, approves of notices to demolish being issued.

12. Mr. R. P. Brash's resolution: The resolution referred to in paragraph 3 is put to the vote. Carried unanimously.

13. The Board adjourns *sine die*.

The following paragraphs of the minutes of the meeting of the Kinta Sanitary Board held on 21st October, 1925, have been passed by the Resident:

6. Measures to mitigate the flooding of Ipoh: The Chairman reads his letter reporting the flooding of a portion of Ipoh town on the night of 5th October. Excerpts are also read of correspondence between the Resident and the Chief Secretary from which it is gathered that the remedial measures to be taken on the advice of the Director of Public Works and the provision to meet the cost thereof will be considered at the next meeting of the Federal Council. Mr. Lau Ek Ching reads the translation of a Chinese circular issued by the Perak Chinese Chamber of Commerce calling upon shop-keepers and merchants to furnish details of the damage done by the recent flood.

Mr. R. P. Brash moves the following resolution :

This Board urges upon the Government to take immediate steps to prevent portions of Ipoh town from being flooded as apart from the damage done to buildings, household effects and merchandise, the contents of latrines freely mingling with flood waters and penetrating licensed eating shops and food-stalls must without doubt have proved a serious menace to the health of a large percentage of the inhabitants who obtain food from or patronise these establishments.

On being seconded by Mr. J. A. S. Jennings the resolution is passed unanimously.

7. Development of the Pasir Puteh area of Ipoh : In connection with Mr. A. N. Kenion's recommendation to convert into a metalled road the path from Pasir Puteh to the Labat-Pulai Road, the Chairman states that action is being taken to acquire land and obtain provision to pay for such acquisition where necessary. The Government Town Planner has drawn up detailed plans. In the draft P.W.D. Budget for 1926 a sum of \$5,000 has been entered for "laying out and making up and draining of road reserves and access roads, Kinta" and this provision is being earmarked for Pasir Puteh. Mr. A. N. Kenion addresses the meeting and asks for the Board's support for the speedy development of the Pasir Puteh area. It is recognised that \$5,000 is a totally inadequate sum for such section of the projected road as could be commenced and completed during 1926. Mr. J. A. S. Jennings proposes and Mr. R. P. Brash seconds the following resolution :

That this Board most strongly disapproves of, and protests at, the Government policy which is holding up very essential public works and that particularly so at a time when the Government is receiving very substantial revenue from the tin and rubber industries and the general public.

Carried by the unanimous vote of those voting.

IPOH,  
26th November, 1925.

A. J. STURROCK,  
Chairman, Kinta Sanitary Board.

## NOTICE.

DEPARTMENT OF AGRICULTURE, S.S., F.M.S.

## GOVERNMENT EXPERIMENTAL PLANTATION, SERDANG.

Planters and others interested in agriculture are hereby notified that a large scale experimental plantation exists at Serdang in the State of Selangor, F.M.S.

This plantation is situated about 14 miles by road from Kuala Lumpur and  $5\frac{1}{2}$  from Sungei Besi Railway Station. It has been started with the object of carrying out experiments with crops other than rubber and coconuts, and at the present time over 100 different crops are under cultivation on either a large or small scale according to their agricultural importance.

In order that the public may become acquainted with the experimental work which is being carried out on the plantation the third Wednesday in each month has been fixed as a "Visitors' Day" when members of the staff will be detailed to show any persons interested in agricultural matters over the plantation and its extensive nurseries.

In certain cases special visits other than on visitors' day may be arranged on application to the Secretary for Agriculture, S.S. and F.M.S., Kuala Lumpur, or to the Agriculturist, Government Plantations, F.M.S., Kuala Lumpur, but in order not to interfere with the work of the staff such visits will necessarily have to be limited, and the public are requested to make use of the fixed visiting days as far as possible.

A hostel on the plantation provides a limited amount of accommodation and, in special cases, arrangements can be made to accommodate visitors on application to the Assistant Agriculturist, Experimental Plantation, Serdang, Sungei Besi P.O. (Telephone No. 4, Kuala Lumpur Exchange.)

## VISITORS' DAY

STANDARD MODEL No. 12.

The "Imperial" is fitted with typically British characters—not found on foreign typewriters—96 in all, 12 more than usual. Visible writing on which the light is thrown whatever the position of the machine. Typing to the extreme top or bottom of the paper or card used. Unfailing regularity in the spacing and alignment of the writing.

The "Imperial" Typewriter is now becoming known as the most up-to-date and convenient machine on the market; the construction of this machine is extremely simple, having fewer parts to get out of order than almost any other. It is very strong and yet not bulky.

These three illustrations show the simple method of removing the Type Units. (Vide Instruction Book.)
