No. 915.—THE following Bill about to be introduced in the Legislative Council is published for general information:—

A BILL

intituled

AN Ordinance to amend Ordinance No. 64 (Defence Contribution).

It is hereby enacted by the Governor of the Straits Settlements with the advice and consent of the Legislative Council thereof as follows:—

1. This Ordinance may be cited as Ordinance No. 64 (Defence Contribution) Amendment Ordinance, 1922. Short title.

2. Section 4 of Ordinance No. 64 (Defence Contribution), hereinafter called the principal Ordinance, is repealed and the following section is substituted therefor:— Amendment of section 4.

4.—(1) In the first instance the Colony shall pay into the Imperial Treasury Chest in the Colony on account of His Majesty's Government either a sum equal to twenty per centum of its estimated revenue or a sum equal to the estimated cost of the garrison for the year, whichever of these two sums is the less. Payment on account of defence contribution.

(2) If the payment made under sub-section (1) is greater than the amount payable under this Ordinance, the excess shall be refunded to the Colony by His Majesty's Government, but if the payment made under sub-section (1) is less than the amount payable under this Ordinance, the deficiency shall be paid by the Colony into the Imperial Treasury Chest in the Colony on account of His Majesty's Government. Adjustment of account.

3. Section 6 of the principal Ordinance is amended by deleting the words "The said percentage" and substituting therefor the words "One-twelfth of the amount payable under section 4 (1)". Amendment of section 6.

OBJECTS AND REASONS.

Under the existing law the Colony has in the first instance to pay as Defence Contribution 20 per cent of its estimated assessable revenue. It then has to pay 20 per cent of the difference between its estimated and actual revenue. It is, however, provided that the sums so paid by the Colony shall not exceed the actual cost of the garrison. Should there be such an excess payment, the Colony may have to wait a very considerable time before a refund of this excess is made. This Bill is introduced to reduce such delay to a minimum.
