PRESENT: Mr. C. F. J. Green (*Chairman*), the Health Officer (Dr. A. R. Wellington), the Government Architect (Mr. A. B. Hubback), the Collector of Land Revenue (Mr. H. E. Swan), the Chief Police Officer (Mr. H. M. Hatchell), the Executive Engineer, Town (Mr. H. E. Steele), the Superintendent of Revenue Surveys (Mr. H. R. Shaw), Mr. A. K. E. Hampshire, Mr. H. P. Clodd, Mr. A. P. Robinson, Mr. K. T. Parimanam Pillay, and Towkay Choo Kia Peng.

ABSENT: The Protector of Chinese (Mr. D. Beatty), Inche Tamby Abdullah, and Raja Mahmud bin Sultan Mohamed.

1. The minutes of the previous meeting were taken as read, copies having been circulated among the members.

2. Water Supply, Statement of Consumption: A statement showing the consumption of water in Kuala Lumpur was submitted. The average daily consumption for the period 16th to 31st December, 1913, and 1st to 14th January, 1914, was 1,858,000 and 2,026,266 gallons, respectively.

3. The Public Works Department progress report for December was laid on the table.

4. Anti-malarial Measures: A plan, No. 1/14, and estimate \$1,570 for anti-malarial drainage work required to the ravine and swamps behind new quarters, Brickfields Road, was approved by the Board. The Board decided that the drainage of the ravine running east and west through the Kwan Sai Cemetery and south of the Japanese Cemetery was work which should be carried out next, in preference to the schemes mentioned in the report of the Executive Engineer, Malaria Advisory Board.

5. Deviation of Sungei Besi Road at  $8\frac{1}{4}$  Mile: The Board approved, provided the deviation is ready and finished before the present road is interfered with.

6. Speed Limit for Motor Cars passing through Villages: The Chief Police Officer proposed that a speed limit of 10 miles an hour for all motors passing through certain streets should be gazetted. The Board approved of the principle and asked the Chief Police Officer to submit a list of streets at a future meeting.

7. Lime-kiln Licence for Portion 372 at  $2\frac{3}{4}$  Mile, Cheras Road: The Board approved of a licence being issued for one year only.

8. Application to be Registered as an Architect: An application from Mr. S. Ahmed Meoh to be registered as an Architect was read. The Board decided to put him on the roll of Architects.

9. Quarantine and Prevention of Disease: The Chairman submitted the Health Officer's report on this subject. The Board approved of the Health Officer's recommendations and decided to ask Government to gazette the Health Officer and Deputy Registrar of Births and Deaths as Health Officers, and the Sanitary Inspectors as Inspectors, under the Quarantine and Prevention of Disease Enactment, also to delegate the enforcement and execution within the Sanitary Board area of rules 43, 44, 45, 47 and 49 under the said Enactment to these officers.

10. Houses on Lot 30, Section 31: A sketch plan of the proposed houses on this lot was submitted. It was decided to circulate the paper amongst the members, together with connected papers.

11. Questions by Mr. Choo Kia Peng:

(1) In view of the congestion of traffic in Rodger Street between Old Market Square and McArthur Street, does the Board think it advisable to widen the road by moving back the drains and chains fencing the market compound?—The Board decided to set back the drains and chains.

(2) Will the Board cause the back lanes in bad condition to be metalled?—This was referred to the Executive Engineer, Town, for report.

(3) Are the Government taking any steps to cover over the roadway now used by vegetable sellers between the fish and pork markets?—The Chairman said that an item was inserted in the Draft Estimates for 1914, but it had been cut out by Government. There was, however, an item of \$10,000 in this year's Estimates for a market in Malay Street which would, when erected, considerably reduce the congestion in the Central Market.

12. Street Traffic, Kuala Lumpur: The Sub-Committee's report on the means for more effectually controlling street traffic was submitted and approved. The following is a summary of the conclusions of the Sub-Committee:

- (1) Special instructions to selected police on point duty in regard to directing traffic.
- (2) Provision of more refuges at main centres and junctions.
- (3) More jinrikisha stands to be provided and prowling jinrikishas to be directed to these stands.
- (4) Restriction of hawkers to certain streets.
- (5) Widening of Market Street Bridge.
- (6) Special limit of 10 miles for all motor vehicles within town limits.
- (7) Erection of danger posts at sharp corners and hidden turns.

Mr. Clodd said that it was essential that lamps should be provided at the refuges to be constructed.

The Chief Police Officer suggested that the roads be metalled to their full width, so that vehicular traffic may draw to the roadside without mishap.

The Government Architect suggested that a concrete apron be constructed to save the drains from damage.

13. Assessment of House on Lots 28 and 29, Section 44: The Chairman submitted a letter from Loke Looi Chiew, appealing against the assessment on house erected on lots 28 and 29, section 44. The Board decided to reduce the assessment to \$1,200 annual value.

14. Naming of Shop-houses on Lot 13, Section 69: The Board decided to name and number these houses 1 to 8, Kampong Attap Place.

15. Fire Hydrant to Motor Garage, Batu Road: The Chairman submitted a list of motor garages in Kuala Lumpur, and suggested that there might be others, besides the one at Batu Road, that require attention. The Board decided to ask the Executive Engineer, Town, to consult with the Chief Officer of the Fire Brigade and report at a future meeting what extra hydrants are required.

16. Issue of Dealers' Licences under Traction Engines and Motor Cars Enactment: The Board decided to consider the matter at a future meeting.

17. Registration of Jinrikishas: The Registrar of Vehicles reported that there are two types of first class jinrikishas in Kuala Lumpur, and that the No. 1 type does not deteriorate so quickly and is fit to be licensed after the six registrations the Board has decided should be the life of first class jinrikishas. The Board decided that No. 1 type of first class jinrikishas should be licensed for eight registration periods.

18. Draining Ravines near Service Reservoir, Section 60: The Chairman submitted a plan, No. 4/14, from the Executive Engineer, Malaria Advisory Board, showing the proposed drainage of two undrained ravines in the neighbourhood of the service reservoir on section 60. The Board approved.

19. Town Planning Committee: The Board nominated Mr. Choo Kia Peng to represent the Board on the Town Planning Committee.

20. The Health Report for December was submitted.

(2) There were 29 deaths of infants under the age of one year; thus giving an infantile death-rate of 287.12 per 1,000 births.

(7) Two samples of milk were forwarded to the Government Chemist for analysis, and both were of good quality.

21. The Chairman reported that the abattoirs would not be finished for some time, and it would be necessary to extend the date of the expiry of the leases for pig, buffalo, bullocks, goat and sheep slaughtering. The Board decided to leave the matter to the Chairman to make satisfactory arrangements.

22. Mr. Robinson suggested that the Klang river be improved so as to drain the large area of swampy land in Yap Quan Seng Road and Circular Road.

23. Mr. Clodd called the attention of the Board to the bad condition of the road surface in Malacca Street, and asked when it was to be re-metalled. The matter was referred to the Executive Engineer, Town, for report.

24. Mr. Robinson asked why the watering of Ampang Road had been discontinued. The Chairman explained that it was due to the chains driving the spraying wheels of both the motor watering vans having broken down.

25. Lists of notices and prosecutions were approved by the Board.

26. Applications for Water Supplies: Water supplies to the following houses were approved by the Board: No. 111, Java Street; 6, Drury Lane; 63, Brickfields Road, 8, Cecil Street; Houses on lots 102 and 103, section 19, lots 23, 14 and 25, section 20, lot 3, section 30, lot 131, section 20, lot 125, section 56, lots 26 and 28, section 56; and Messrs.
