No. 913.—The following Circular despatch from the Right Honourable the Secretary of State for the Colonies is published for general information :

CIRCULAR.

DOWNING STREET, 9th February, 1914.

SIR,—With reference to the Earl of Elgin's Circular despatch of the 2nd of April, 1908, I have the honour to transmit, for your information, a copy of a letter from His Majesty's Ambassador in Madrid, which has been communicated to the Press in this country, containing a warning against the fraud known as the "Spanish Swindle."

2. As it appears that the perpetrators of this fraud are still endeavouring to victimise residents in the British Colonies, I shall be glad if you will again consider the question of bringing the matter to public notice.

I have, etc.,

L. HARCOURT.

BRITISH EMBASSY, MADRID.

SIR,—I should be grateful if you would allow me to call attention in your columns to the so-called "Spanish Swindle." This time-honoured fraud continues to be practised upon the unwary by a gang of ingenious swindlers established in Madrid and other Spanish towns. Assisted by accomplices in England they single out their victims and extract money from them by means of a letter which is generally to the following effect:

A Spanish prisoner who is dying in a military prison desires to provide for his only daughter. He possesses a large fortune secreted somewhere, and offers to transfer it to his correspondent if the latter will maintain and educate the child. Certain obligations, however, must first be discharged, and for this purpose about £100 is to be forwarded in bank-notes to a given address where the prison chaplain will receive the sum and escort the girl to England. The fortune will then be handed over. The story is usually supported by forged documents and newspaper cuttings.

I hope that this letter may serve to put some prospective victims on their guard. Persons receiving letters such as I have indicated would do well to communicate with His Majesty's Embassy.

Yours faithfully,

ARTHUR H. HARDINGE,
His Britannic Majesty's Ambassador.

No. 1023.—REPORT ON THE WORKING OF THE HARE MEMORIAL FUND FOR THE YEAR 1913.—

1. The deposit receipt for \$3,100 placed on fixed deposit with the Chartered Bank at the rate of $3\frac{1}{2}$ per cent. interest in September, 1912, was renewed in September, 1913, at the rate of 4 per cent. per annum.

2. As this deposit receipt will not mature until September, 1914, it has been impossible to increase the amount of the bursaries; throughout the year three boys at each of the following schools: Victoria Institution, St. John's Institution and Methodist Boys' School have had paid for them \$3 a quarter towards their school fees; the total amount paid being \$108, leaving a balance in hand of \$100.35, including \$60 part of the capital account of \$3,160; so that either the number of bursaries must be reduced in 1914 or the capital account must be entrenched upon.

3. The reports on the conduct, attendance and progress of the boys receiving benefits from this Fund were satisfactory; five of them left school in December, 1913. One boy was ill in October and November, but his school fees were paid, as they are payable in advance quarterly.

4. No meeting was held during the year; but by correspondence between the members of the Committee it was decided to renew the deposit receipt referred to in paragraph 1.

5. A statement of the accounts of the Fund for 1913 and the reports of the Headmasters are appended.

6. The Committee consists of the Secretary to Resident, Mr. W. F. Nutt and the Protector of Chinese, Selangor (Honorary Treasurer).

6. School on Lots 35, 36 and 37, Section 48: The Board decided to recommend that this school be exempted from the payment of rates.

7. Street Stalls and Hawkers: The Chairman reported that the Board last year attempted to get the street stalls and hawkers removed from the streets, and the Resident at that time suggested before this was done that temporary markets should be provided in different parts of the town for the stall holders to go to. Five thousand dollars was inserted in the draft Estimates for this year, but this sum was cut out. The Board decided to recommend that seven small temporary markets for the present street stall holders be erected in central positions in 1915, and that a limited number of hawkers be licensed this year. The Board decided to postpone the consideration of this question until the next meeting. The paper to be circulated among the members in the meantime and a copy of the recommendations forwarded to each member.

11. Analysis of River Water: The Chairman submitted for the information of the Board the Government Chemist's report on the examination of samples of river water taken from the Gombak and Klang rivers, above and below the town.

12. Revision of Fees for the use of the Town Hall: The Chairman submitted a comparative statement showing the earning capacity and charges made for the use of the Town Hall in Kuala Lumpur and Penang, and the hall and theatres in Singapore, and pointed out that the fees charged for the Town Hall in Kuala Lumpur were very low and should, he thought, be raised. The Board decided to recommend that the fees for the use of the Town Hall for each occasion, when fees are charged according to the present tariff, be raised from \$20 to \$50, and that the Electrical Engineer be asked to report whether the lighting expenses have been increased since the alterations were made to the Town Hall.

13. Method of Assessment for Drainage of Lots in Section 57, 19 and 56, Ceylon Lane to Pudu Dam: The Board decided that in event of the owners of property affected leaving the drainage work to be performed by the Board, that they should be charged according to the work to be done, as estimated by the Executive Engineer, Malaria Advisory Board, and not according to the acreage of the land through which the cutting would go.

14. Proposed By-law 52 under Sanitary Board Enactment, 1907: The Board decided that the consideration of this question should be postponed until the Town Planning Committee, now sitting, has decided on a definite line of action.

15. Application for Permission to Mine Land in Sungei Besi Town: An application from Mr. J. A. Russell applying for nine acres of mining land within the town limits of Sungei Besi was read. The Board objected to the land being leased for mining purposes.

16. Rest-house, Kuala Lumpur: The Chairman reported the receipt of a letter from the Secretary to Resident enclosing an application from the General Manager of the Railways for an eighteen months' lease of the old Rest-house. The Board decided to recommend that the Railway Department be allowed to occupy the premises for 18 months provided it is not used as quarters for members of their subordinate service and provided also that the site is first gazetted as a Sanitary Board Reserve.

17. List of notices and prosecutions were approved by the Board.

18. Applications for Water Supplies: Water supplies to the following premises were approved by the Board: Nos. 195A, 328 and 334, Batu Road; 178, High Street; 13 and 14, Scott Road; 1 to 8, Kampong Atas Place; 3, Yap Ah Loy Street; and Federal Dispensary.

19. Mr. Choo Kia Peng asked that the work of constructing the new road in place of the railway from Sultan Street to Rodger Street be put in hand at once. The Chairman said that he did not think it was advisable to start work until the Town Planning Committee had decided on a plan for the town.

20. Mr. Choo Kia Peng asked how long it would be before Penang Road is lighted; he said the question had been raised at previous meetings and he had been led to understand on each occasion the work was soon to be put in hand, but nothing had yet been done. The Chairman explained that the work had not been commenced owing to the late delivery of the materials ordered through the Crown Agents; these had now arrived and the work would be done in about a month's time.

21. Mr. Clodd drew the Board's attention to the sourness of the bread sold in Kuala Lumpur and suggested that it might be due either to the mode of manufacture or to defective fittings used in the making. He understood that the Ipoh bakeries were in a much better condition and were fitted with marble-topped kneading tables. The Board decided to ask the Health Officer to submit a report on the matter at the next meeting.

C. F. J. GREEN,
Chairman.

Minutes of an ordinary meeting held at the Sanitary Board Offices, Kuala Lumpur, on Wednesday, the 18th March, 1914, at 9.30 a.m.

PRESENT: Mr. C. F. J. Green (*Chairman*), the Protector of Chinese (Mr. D. Beatty), the Chief Police Officer (Capt. A. McD. Graham), the Superintendent of Revenue Surveys (Mr. H. R. Shaw), Mr. A. P. Robinson, Mr. H. P. Clodd, Mr. Choo Kia Peng, Inche Tamby Abdullah, and Mr. K. T. Parimanam Pillay.

ABSENT: The Government Architect (Mr. A. B. Hubback), the Health Officer (Dr. A. R. Wellington), the Collector of Land Revenue (Mr. H. W. Thompson), the Executive Engineer, Town (Mr. H. E. Steele), and Mr. A. K. E. Hampshire.

1. The minutes of the last meeting were confirmed.

2. An application for a six-storied building to replace the present Loke Yew Buildings, Market Street, was considered. The application was disapproved owing amongst other reasons to the difficulty of harmonizing a building 100 feet high with its surroundings.

3. The Board recommended the refusal of a grant of a permanent title to the land on which houses Nos. 95 and 96, Sungei Besi road, are built, as the land may be later required for public purposes.

4. A letter from a section of the pork stall holders in the Kuala Lumpur Market to the effect that the monthly shift of stalls should obtain throughout the whole of the stalls instead of two portions, was considered. The Board decided to allow matters to remain as they are at present.

5. The Board recommended that an additional Chinese member be appointed to the Board. It was suggested that Mr. Khoo Keng Hooi be appointed. The Board postponed making a recommendation to fill the vacancy caused by Raja Mahmud's resignation to the next meeting.

6. The Board debated a memorandum drawn up by the Chairman as to measures which should be recommended to Government for the exclusion of overmilled or polished rice from Malaya. It was pointed out that Drs. Fraser and Stanton had completely established the fact that the majority of the better qualities of rice imported from Siam and Rangoon were milled so as to deprive the rice of the superficial layers below the husk, and that these superficial layers were essential to healthy nutrition. They had proved that the continued use of such overmilled or white rice without other food-stuffs gave rise to polyneuritis and beri-beri. Rice on the other hand so milled as to retain these superficial layers and used under exactly the same conditions maintained the consumer in perfect health. Drs. Fraser and Stanton consider that it is now time for the administrative officer to step in and remedy the evils from the importation of such overmilled rice. The Chairman summarized the evils as follows:

- (i) The contraction of beri-beri and neuritis by the use of such rice unaccompanied by suitable condiments;
- (ii) The lowering of the general physical welfare when no or insufficient condiments are used and consequent lessened power of resistance to disease;
- (iii) The lessened food value and consequent increase in cost of living owing to the other condiments which must accompany the use of white rice if the consumer is to remain healthy.

Mr. Choo Kia Peng stated that from enquiries made he believed that the millers would prefer to supply less highly polished rice. It was resolved to represent to the Government:

- (i) That money should be provided for the preparation and distribution of diagrams and pamphlets representing the evils of white rice;
- (ii) That if no difficulty is anticipated in obtaining sufficient undermilled rice from Siam and Rangoon then the importation of rice, which does not pass the phosphorus pentoxide test discovered by Drs. Fraser and Stanton, be prohibited after sufficient notice either by a section in the Deleterious Foods and Drugs Enactment or by separate legislation;
- (iii) That previous to this, samples in bulk of various rice passing the pentoxide test should be bought by the Government and distributed by the Protector of Chinese, who would report which samples were more favoured.

7. It was resolved that it was not necessary and probably undesirable for motor garages to be provided with hydrants, but that a stock of fire extinguishers and friable earth should be kept on the premises sufficient to deal with petrol fires.

8. It was resolved, while there was no objection to itinerant barbers entering private houses and plying their trade there, none should be allowed on the public ways or recreation grounds.

9. It was decided to allow Ho Sze a licence for a brick-kiln on lot 1,572, Setapak, for the current year, on the condition that the land is satisfactorily re-levelled.

10. Applications for Water Supplies: Water supplies to the following houses were approved by the Board: House No. 33, Malay Street; houses on lot 2, section 52; lots 28, 29 and 30, section 55; three bungalows on lots 48 and 49, section 58; 135, Batu Road; 176, Ampang Village; 10 and 12, Petaling Street; 20, Scott Road; 68, High Street; 30, Pudu Street; 49, Rodger Street; and 135, Batu Road.

11. Lists of notices and prosecutions were approved by the Board.

C. F. J. GREEN,
Chairman.
